My dear Miss Tarbell.

I am sending you the address
of Mr. Moore covering the genealogy of the Lincoln &
Hanks family. A good deal related I fear, but
I have been very busy these March 1. days —

This pamphlet has from these 15 reports, the last
9 of which we requested & paid for by Ruth Lincoln.

I had the pleasure of interviewing one the
speakers, Mr. John L. Kennedy of Omaha Neb. who
spoke at Chicago. He was a former student from
the Academy to the middle of Junior year, & in 1915
had conferred upon him the degree of D. D. He
is the big man of Omaha & Nebraska.

Mrs. John Tarbell.

W. J.

Very truly
Geo. A. Lawrence.
