Dear Miss Tarbell:

So far as I know, no report is available of the session on the History of American Life. There is a possibility that the papers presented on that occasion will be published in book form, though nothing is settled as yet. On the whole, the speakers expressed considerable enthusiasm in regard to the series, but, as was to be expected, they quarreled as to certain matters of detail and emphasis.

With all good wishes, I am

Sincerely yours,

A. M. Schlesinger
