

Mainly ^{the - Wallin Power - file Y,}

M. wants to explain by telling me the
 dealings with him on St. L. Wallin power
 but you go & come to him - W. W. W.
 found a company to develop power
 on St. L. River - & after your studies &
 other studies - you think it's a good
 thing. private development all right -
 yes I can give you some info - M. is
 looking for St. L. Plainfield - don't
 do it - unless you are convinced do
 all right -

Well - the 2 meet with it - 2 concluded to
 support it - told him so. that they
 knew what he was doing

Hays Cooper just by traffic system
 - Workman man - now in Russia
 looking for a way to find whether
 voluntarily at L. would every dam - necessary
 to such cases - nobody would give 250,000
 necessary - not - du Pont - a Miller out

2

Became sent of god father to
 B. father of Parolee suspension - as
 - attended it - in Brooklyn - Look up
 one of him just ^{in act as ship} - offer der use
 my man - paper 2 want the
 say - looked after him - sent him
 to school - ^{young}
 wonder what effect Mr. M.

Always

When considering ~~no~~ needs here
 Always order just - what will be the
 value - were question of cost will
 value is collect -
