Sept. 19, 1941

Dear Mr. Boggess:

Do not apologize for your apology. You convict me by so doing. My letters are generally long delayed.

You say that you feel that I am qualified to become a member of the Old-Time Safety Organization. If I can be slipped in I shall be proud of such a membership.

I wish that I might accept your invitation to be present at the banquet in Chicago on the evening of October 9, but it is quite out of the question for me to leave the country at present. I have not the strength for travel or for dinners--not yet. However, I shall be glad to send you a little message. I'll try to get it to you before you leave Tulsa, but if not, will see that you get it at the Stevens Hotel.

Regretting that I cannot be present at this gathering of Old-time Safety people, but still rejoicing that I saw the start of the movement, believe me

Very sincerely yours,

Mr. Henry W. Boggess
