

Unemployment
P.R.

May 9, 1935

Dear Mr. Mace:

It is very kind of you to take the trouble to write me so fully in regard to the handling of unemployment by the Ludlum Steel Company. If I should use the name of your concern in the little discussion of the subject that I have on hand I shall be sure to submit to you before publication what I write.

I hope this will be satisfactory. Thanking you again for your courtesy, believe me

Very truly yours

Mr. A. W. Mace
