Dear Mr. Gebhart:

How does one get hold of a copy of the Attorney General's report on the consumption of liquor? I have had only the newspaper report. Has it been published in any other form?

After I have looked it over - studied your report a little bit, I am coming in to talk to you, if I may?

As to this matter of the kind of teaching that is being done in the public schools - I have almost a mind to tackle it, though I am conscious that it would require a great amount of work to do anything intelligent. However, I may summon courage one of these days.

Very sincerely yours
