Miss L. A. Tarbell
New York City

My Dear Miss Tarbell:

My very personal
interest in the history of the "Lincoln"
family - is sufficient apology - for
addressing you - Through the kindness
of a friend - I find myself in possession
of two copies of a religious Journal - of
Nov - 1921 and Jan - 1922 - viz -
"Zion's Advocate & Messenger of Truth",
Elmer R. H. Patterson Proprietor Front Rock and Lacey Springs

These issues publish authentic history -
quite valuable - and if not already in
your possession - I feel sure of your
appreciation of their receipt -

Under Registered Transportation I
am mailing them to your address.
Please return them at your convenience.

With the season's best wishes - believe
me - with much respect - very truly,

J. E. Lincolnton

P.S. Permit me to add the
address of my son of your age
