Dear Miss Tarbell:-

Your letter of Nov. 29th, I am answering on account of Mr. Ellison's absence in Australia, and Mr. Hurd, who has charge of the Seven Dat Circuit is ill with influenza.

We will ask that you let us know just as quickly as you are in a position to do so after your arrival "Overseas" just how early in June you can take up your work with us. If you will do this, it will be very much appreciated.

I am asking Mr. Andrews, our Publicity Manager, to write you relative to plate matter, etc.

Trusting that you will have a safe journey, and that we may have the pleasure of having you with us next summer, we remain,

Respectfully yours,

ELLISON-WHITE CHAUTAUQUA SYSTEM.
