Mr. Andrew A. Culbertson
Edinboro
Pennsylvania

Dear Mr. Culbertson:

Inclosed is a copy of a letter I have written to Mr. Goodell of the Edinboro Independent in the matter of the marker at my birthplace. I am afraid that your kindness is over-influencing your judgment, but of course I'll leave it to you.

Let me say how much I was pleased by your letter to the Independent recalling my Father's and Mother's connection with "Old Edinboro."

Sincerely yours,

INT/WMS
