

Handed men & women who
look out at the present and
will, minds cannot carry
along themselves. Amusingly
is civilization going to pull
up from the left place
it while it has fallen
in full credit to the
destinities in perfect
way are very & still you
need to feel it - it is
my & with utmost heart &
destinities
naturally & perfectly - make
help in every direction - ask
whether what new force if any
can be put to work not -
may it credit the new world
it is that is good in
old
