To be a citizen of a country under which our own is typical to be a democrat-giving democracy is a serious matter. It requires a developed intelligence, trained judgment & independent action which few-many of us are capable give. Consider that we are passing now - our quadrennial presidential campaign is under we are appealed to receive intelligently the card 4 yrs of management & to decide whether we will be called to continue by keeping the present manager & his associates in by a vote or we will speak-impeach on different lines. It requires no little political intelligence to do this wisely - & we have a certain certainty of what will be the result if we fail - & what will be probable disastrous results. Shall we decide not participate this fall - or a make ourselves sound

pair answer it or vote -
It may ~~have~~ run down by
the enthusiasm a campaign
this & by the joy we get in doing
a nice & selfish thing but
sober mind must ask ourselves
about what they can contribute -
must feel itself one of the needs
of our education as a large
emergency of that problem de-
mands: & can we get it -
what it means to the city
