

Track Team Which Will Meet Rochester

Pointed Remarks

Dr. Buell, of Boston University, Addresses Student Body Saturday.

On Saturday morning Dr. Marcus Buell of the Theological School of Boston University delivered what was generally conceded to be one of the best chapel talks that has been heard this year. The address was crammed with bits of advice to college men and women, made more forceful by numerous witty and pointed illustrations. Dr. Buell was here in the interest of his school and later in the day he had a brief conference with the members of the Thoburn Club.

As a scripture lesson, Dr. Buell read Paul's description of the real man and the real woman showing by the use of the Greek words how perfect a description of the traits of manhood and womanhood had been given. Later he based his remarks upon the scripture lesson and said in part: "What are you here for? Do you realize that funny though that may seem it is the most serious of all serious questions. I have gone a little farther along the path of life and I know just a little more about what you are going to have to meet than you do. You are bound to meet obstacles every one of you. You will meet situations suddenly confronting you, demanding immediate action and sudden judgment. They may not seem very important then but you will be held responsible afterwards. You will meet many men who will call you brother. My advice to you is to look out for your brother. Wherever you go you will meet the law 'Make or break.' No matter where you go absolute accuracy is demanded. "All these things sound awful and disheartening, but youth says 'No.' Life is attractive because it is full of emergencies. Since these things are so it is not so much what you get out of Allegheny College as what it means to you. By and by the clock will strike, you will be weighed in the balance and then, if you have prepared properly here, it will be your happiest moment, for you will be found not wanting."

Big Track Meet

Allegheny Meets the University of Rochester at Vallonia This Afternoon.

The first intercollegiate track event of the season will be held this afternoon at the Vallonia track, when the University of Rochester will be encountered in a dual meet. The first event will commence promptly at 2:30 o'clock.

Rochester was defeated at Athletic Park on May 21 of last year by a score in points of 66-46. Three years ago, however, Allegheny was defeated by the New Yorkers 72-49. Moreover, Rochester has already been in a number of meets this spring, while Allegheny has not as yet tried her strength. Taking these things into consideration together with the fact that nearly all of last year's weight men are out of school as also is "Sawdy" Croasmun, the ten-second sprinter, it is very evident that the meet this afternoon will be close and exciting. If Captain Hilborn and his men are again to carry off the honors, they must have the united support of the student body. All roads lead to Vallonia at two o'clock this afternoon.

Below is the result of last year's meet with Rochester:

100 yd. Dash—McDonald, R.; Croasmun, A. Time, 10 2-5 sec.
220 yd. Dash—Croasmun, A.; Cox, R. Time, 23 sec.
440 yd. Dash—Hilborn, A.; Doyle, R. Time, 53 1-3 sec.
880 yd. Dash—Hilborn, A.; Barse, R. Time 2:11 3-5.
One Mile Run—Smith, R.; Krugg, R. Time, 4:58 4-5.
Two Mile Run—Winn, A.; McKay, A. Time, 11:28.
120 yd. High Hurdles—McDonald, R.; Stidger, A. Time, 17 1-2 sec.
220 yd. Low Hurdles—Stidger, A.; Cox, R., tie. Time, 28 1-5 sec.
High Jump—Stidger, A.; David, A.; McDonald, R., and Robinson, R., tie. Height, 5 ft. 6 in.

Hammer Throw—Ball, A.; Dotterer, A. Distance, 109 ft 11 in.

With some slight changes the Allegheny entries will be from the following:

Close Contests

Electoral Boards Chosen Saturday. Managers Elected for Campus and "Lit."

The Electoral Boards for The Campus and Literary Monthly managerships were chosen Saturday morning at an exceedingly close and exciting election. While a number of subscribers did not take advantage of the opportunity to vote, the interest shown was keen and the friends of the rival candidates were able to furnish some very exciting races, there being always two strong contenders in a group and in the majority of cases all the nominees showed equal strength. A very gratifying feature was the way in which party lines were disregarded, the tickets voted showing an almost infinite variety of combinations and "splits."

The Campus Electoral Board furnished the biggest surprises and the most excitement of the election. Not until the last ballot was tallied could the final result be even approximated. Those chosen were: Miss Margaret Megirt, Miss Mary Sowash, E. P. Kennedy, Ernest J. Hall and F. O. Amon. At a meeting held Thursday afternoon, the names of a number of candidates were presented and after several ballots William D. Dotterer, '13, was elected manager.

The most noteworthy fact about the "Lit" election was the choice of four Seniors. The executive committee had nominated a Senior on each group but had not expected that they would be almost uniformly successful. Although there were few subscribers to pick from a more representative set of nominees could not have been named. The successful candidates were: Miss Lucy Loane, A. J. Nelson, J. W. Barkley, H. R. Hunt and J. Frank Sayre. Friday afternoon, the board met and elected Glenn H. Davison.

Oratorical Election

Officers for Ensuing Year to Be Picked Today.

The election of officers for the Oratorical Association will be held in Bentley 8 at 12:30 today. All holders of dollar or fifty cent tickets are eligible to vote. Nominations have been made as follows:

President:
F. H. Callahan.
H. R. Hunt.
Secretary:
C. V. Calvin.
C. L. Nevins.
C. V. Sparling.
Treasurer:
Harrison Askey.
P. A. Beck.
R. D. Evans.

Campus competitors may have their material by applying to the Librarian or some member of the committee before four o'clock, Monday.

Judges Report

Campus Board for 1911-12 Announced. Hughes Editor-in-Chief.

After many hours of hard and arduous labor the Campus Competition Committee consisting of Dr. Akers, chairman, Professor Swartley and Dr. Elliott, selected the following board of editors for The Campus:

Editor-in-Chief—Thomas Hughes, '12.
Assistant Editor—Charles S. Miller, '13.

Associate Editors—Ernest J. Hall, '13, Katherine E. Wheeling, '12, Ethel M. Bayard, '12.

Reporters—Paul Johnston, '14, Harry Wieler, '12, Victoria M. Lord, '12, Frances Riethmiller, '14.

Along with the decision the committee submitted the following statement:

In making its decisions, the committee has considered the following factors: quality of material, quantity of material, faithfulness of work and experience. The competitors have submitted much good material, and in several cases the decision was extremely difficult. The committee wishes to express its appreciation of the way in which the editor-in-chief has preserved and arranged the written work submitted in competition. It also desires strongly to urge more students to compete for positions on the paper.

O. P. AKERS, Chairman.
S. S. SWARTLEY.
W. A. ELLIOTT.

No comment is necessary on the merits of the selections made. The remarkably close competition rendered the choice difficult, but it also insured the best board that has ever been named as far as ability to do work is concerned. For the first time in recent years, competitors who were doing consistent work at the close of competition and had been working for at least a whole semester were unable to get places because of the number of aspirants in the field. The two chief positions are filled by men who are well qualified to issue the best Campus in the history of the college.

Mr. Hughes has served on two previous editorial boards as Athletic Editor and Assistant Editor and has had in addition professional experience as a newspaper reporter.

Mr. Miller was one of the editors of his prep school paper, has been college correspondent of the Daily Messenger and is at present an Associate Editor of The Campus. During the summer he will act as editor of the Elizabeth Herald.

Women's Jubilee

College Students Take Prominent Part in Celebration Down Town.

On Monday and Tuesday, all the Protestant churches of the city united in celebrating the fiftieth anniversary of the beginning of missionary effort by the women of Christendom. Aside from the general interest felt by the students affiliated with the churches represented, an additional element of attractiveness was present in the marked recognition given the college as an institution well to the front in missionary activity.

The Pageant of Missions which was first presented by the Mission Study Class several months ago was repeated at the Monday evening session and won enthusiastic praise. In the Presbyterian church, Tuesday noon, a missionary luncheon was served by A. A. Swanson, steward of Cochran Hall, to over three hundred guests. The Student Volunteers received an especial invitation and attended in a body. H. S. Leitzel, '12, represented them on the program. Bishop Thoburn was also one of the speakers. The Young People's Rally Tuesday afternoon was presided over by Miss Gertrude Hillman while the chairman of the mass meeting held in the evening was Mrs. W. H. Crawford. Dr. Coburn made one of his justly famous addresses at this session.

The dean of the college at Yale is taking a census of the yearly expenditures of each member of the Senior class.

The Harvard University catalogue this year shows a total enrollment of 6,279 students, a decrease of twenty-nine from last year's figures.

Confidence Restored

Decisive Victory Over Grove City, 11-5, Rejoices Local Fans

Confidence in the ability of the team to put up a creditable game, which had been somewhat shaken by the reverses suffered at Morgantown during the recent trip, was fully restored on Monday afternoon when Grove City was forced to eat the humble pie labelled 11-5. The visitors came here confident of an easy victory, a feeling which was helped on considerably when they came to bat. They seemed to have no difficulty in connecting with the ball, and before the third man was out had one run chalked up to their credit.

This fact, however, did not seem to disconcert the Allegheny boys materially for Townsend soon lined out a safe one. Lavelly went down on an error and Abbott then set his men a pace by placing a long one out in left field which brought in two runs and carried him to third. As everyone seemed to be getting a ride, Hawk decided to take a hand in winning his own game and biffed out a single which brought Abbott in for the third run. Firestone, next up, sent the ball bounding to the fence for a three-bagger, Hawk coming home for another tally. Firestone was tagged out on an attempt to steal home.

Although Grove City was successful in getting a man on first during their next time at bat, no runs were secured. Allegheny's period was a comedy of errors, three different men of the visitors putting on an act. The result was two more runs for Allegheny making the score 6-1.

In the third inning McNahy secured a hit which resulted in a run. Firestone for Allegheny clinched his reputation as a sticker by knocking out another three-bagger. Case reached first on the second error of the visiting short stop in this inning, and Firestone crossed the plate. Meek brought Case home on a single, making the score at the close 8-2 for Allegheny.

The fourth session at bat for the visitors was marked by two hits, neither of which resulted in scores, and by two strike outs being credited to Hawk. Allegheny went out one, two, three. The fifth was featureless.

In the sixth inning Simons made a two base hit and later came in for a run. Marks was struck by a pitched ball, he being the only man passed to first by Hawk during the game. Allegheny again went out in a row. No runs were made in the next inning by either side, although two Allegheny men were given a base on balls.

The eighth was again uneventful for the visitors. Galbraith started things off for Allegheny with a double, Townsend secured a single, Lavelly and Abbott each followed with doubles, bringing in three more runs. Although no more tallies were secured during the period every man on the team had been given a chance at the ball before the close.

Grove City rallied in the ninth and added two more runs to their tally. One of these was the result of a three base hit by Simons. The final score read 11-5 for Allegheny.

The New Manager

At the meeting of THE CAMPUS Electoral Board, Mr. Wm. Dotterer was chosen as the manager of our college weekly for the coming year. There is no doubt that as far as the manager's work can effect it, we will have a first class paper. It will work to his interests if the Seniors who wish to receive THE CAMPUS the next year, and we trust that includes everyone, will hand their names to Mr. Dotterer before Commencement, together with their addresses so far as possible. Keep in touch with your college. Support her interests.

CONGRATULATIONS.

The results of the managership elections held this week cannot fail to please the entire student body. The men elected are of recognized fitness and should have very prosperous years. One fact that ought to be emphasized is the necessity of supporting the "Lit" in a better fashion than in the past. When one considers that 250 copies are issued and that there are less than 75 subscribers something seems to be wrong. Either more practical honesty or a better sense of responsibility is needed. We hope that the student body will stand loyally behind Mr. Davison, and will support The Campus just as well under the management of Mr. Dotterer as it has during the past year.

TWO COMMENDABLE PERFORMANCES.

Klee-O-Kleet has earned an enviable place among college organizations by the performances given on the evenings of May 12 and 13. Although there were weak places in the presentation and some criticism might be offered, they are non-essential and will doubtless be remedied in future performances. A little more latitude in the matter of costumes and a more advantageous place for the staging of the play are things to be hoped for next year.

ON TO VALLONIA.

Just because a track meet is held across the creek is no excuse for not attending it and going boating, swimming or for following some more dangerous pursuit such as studying. The athletic association needs support and the team must have encouragement if it is to win. Let's all sing: "We're coming, Captain Hilborn, three hundred men and women strong."

EXTENSIVE IMPROVEMENTS BY DUZER DU.

At a recent meeting of Duzer Du, plans were made for the remodeling of the club rooms in Bentley Hall. At present the room is in a rather dilapidated condition and has not been of much use to the club except as a place for meeting. According to the present plans, however, the room will be fitted up for the use of the members at all times. The club has a small surplus from the last production of "The School for Scandal" and they intend to use all of this in furnishing their room.

According to the present plans, the room will be papered, a new rug made and the platform removed. The cases along the wall will be fitted up as closets for gowns and one end of the case will be reserved for a club library. The windows will be neatly curtained, suitable pictures will be purchased and as soon as circumstances permit the room will be completely re-furnished. It is also the hope of the club that at some time in the near future they will be able to build two large fire-places and thus complete the general design. Work will be started on these improvements as soon as possible and it is very

probable that the next school year will find the men in excellent new quarters.

PROBABLE OHIO TRIP.

The Athletic Board is at present considering a three day trip for the baseball team through Ohio. Owing to the fact that several local games have been cut off the schedule the board is endeavoring to find some substitutes for these games. Nothing definite has been decided concerning this trip as it will have to be approved by the faculty. There is a probability, however, of the trip being sanctioned by this body and should this prove to be the case there will be no other obstacles in the way.

Should the trip be approved the team will leave next Thursday for Hiram where they will play in the afternoon and from there they will go to Buchtel for a game on Friday. The last game as planned is with Mt. Union on Saturday. If these games are not approved, as the schedule now stands the team will be idle till the game with the Japanese team on Memorial Day.

AN UNUSUAL QUARTET.

On Thursday evening, the MacWaters Quartet of Boston rendered one of the most delightful concerts that has been heard in Meadville this year. The concert was given under the auspices of the Epworth League of the Stone church, and proved to be a popular attraction.

Each of the men possesses a good voice and as a quartet their voices blended wonderfully. Every number on the programme was well received, encores having to be given for each selection. Perhaps the best selection of the evening was the arrangement of "Nearer My God to Thee." "Po' Lil Lamb" was also very effectively sung. Mr. W. E. Thomas, '08, delivered several excellent readings, all of which were encores, the last receiving a double encore. As a whole, the work of the quartet was all that could be expected and more.

During the intermission, Mr. Oakes the manager, explained the purpose of the quartet and the work that they expect to do. The quartet was organized three years ago when all four of the men entered school together. After the quartet was organized the men traveled over the neighboring country holding camp meetings and giving concerts. At present they are touring the United States endeavoring to obtain sufficient money to finance their proposed trip around the world. They expect to leave Boston next October on what they term a missionary tour. From Boston they will travel south through the Canal Zone where they will remain for some time under the direction of the International Committee of the Y. M. C. A. From there, they will travel West to the Pacific Coast and from thence to the Hawaiian Islands, then to Australia, next to the Philippines, and then to Japan. They will also tour Korea, China, India and Africa. This finished they will go through Northern Europe to the West Indies and then home. The trip will extend through one year, all of the time being devoted to aiding missionaries and conducting religious meetings.

TOURNAMENT PROGRESSING

The tournament which is to decide who will represent Allegheny in tennis this spring is almost at an end, as far as the singles are concerned, but none of the try-outs for the doubles have yet been played. Bricker, Dalzell and Mates will complete the finals in the singles Monday or Tuesday. The teams which will compete in the doubles are Stidger and Dalzell, Harris and Goodwin, Nichols and Bricker, Blucher and Mates.

The Tennis Association under whose direction the tournament is being conducted was reorganized about a month ago. J. W. Mates was elected president and C. N. More secretary-treasurer.

The intercollegiate tournament in which the successful men will take part is to be held at Beaver Falls on June 1, 2 and 3. The colleges and universities which will be represented there are W. & J., Pittsburg, Grove City, Geneva, Westminster and Allegheny.

The men who represented Allegheny at the tournament held last year at Pittsburg were Stidger and Dalzell in the doubles, and Dalzell and Harper in the singles. Stidger and Dalzell

took the gold medal for first place in the doubles. Pittsburg took second. Dalzell received the silver medal for second place in the singles, with Pittsburg first. The year before Stidger and Dalzell also took first place in the doubles, while Weidler and Bricker took first and second honors in the singles.

CLOGGERS GETTING READY.

Rehearsals were begun during the past week for the annual Minstrel Show given under the direction of the Glee Club management. The overture which is the latest that has been printed has been received and the Glee Club has been practicing it. It is very catchy and is said to be one of the best that has ever been heard here. The chorus has also begun work on several other songs to be sung in connection with the overture.

During the coming week competition for the positions of end men will be started. This plan of competitive selection was adopted this year because of the fact that all the old end men with the exception of Harris have left school. There have already been quite a number who have asserted their intention of trying for these positions and they are sure to be well cared for. Another strong part of the performance this year will be the variety of clever sketches which will be produced. A number of men have asked already to be allowed to put on a sketch of some sort and several of these as planned have been pronounced excellent. The interlocutor has not as yet been selected but will be chosen in the near future. Further announcements concerning the production will be made later.

ALUMNI PARAGRAPHS.

Miss Lottie Hammett, '10, is now teaching at Connellsville.

The Cleveland Alumni Association will hold their annual banquet on the evening of May 23.

N. P. Kinsley, '68, has recently been re-elected Superintendent of Schools in Franklin. Mr. Kinsley has held this office for an unusual number of years.

Floyd L. Darrow, '06, who is at present teaching in Pueblo, Col., has secured a university scholarship in Harvard University and will take advanced work in chemistry there next year. While in college, Mr. Darrow was assistant in the chemistry department, Professor Wells being at the head of the department at that time.

Clifford J. Scott, '05, was chosen by the School Board of Uniontown, Pa., for another term as the superintendent of schools in that city. Mr. Scott is now serving his fourth year as the head of the Uniontown schools and has been very successful in his position. He is supported by a strong corps of principals and teachers who are co-operating with him in every way.

In the Pittsburg Christian Advocate of March 30, there appeared an extended article written by Rev. B. F. Beazell, D.D., '68, entitled "Doctor Hyde at Allegheny College." The article gives an unusually intimate glimpse not only into the character of Dr. Hyde, who was for twenty years a member of the faculty of this college, but also into the life at Allegheny at that time after the close of the Civil War.

Mr. Forrest Weaver, ex-'14, who was formerly the college chapel organist and who is at present enrolled in the New England Conservatory of Music at Boston, has been engaged to give an organ recital at East Greenwich, Rhode Island on June 5, during the Commencement exercises of the East Greenwich Academy, of which institution W. L. Stidger, ex-'10, is the vice-president. Mr. Weaver is meeting with success in Boston and is said to be one of the most promising students in the New England Conservatory.

ANNUAL RECEPTION.

President and Mrs. Crawford entertained the members of the Senior class, together with the faculty and their wives, at a reception on Thursday evening at their home on Park avenue. The color scheme of lavender and white was carried out in every detail. Lilacs were used for the floral decorations and a number of class pennants were seen in the rooms. Light refreshments were served during the evening.

Professor Churchill of the Academy has been elected superintendent of schools of Stockbridge, Mass.

News Items

On Thursday evening the MacWaters Quartet were entertained by Phi Delta Theta at an informal reception given after the concert at the Stone Church.

The first of a series of four class meetings was held Sunday evening by the Y. W. C. A. when the Senior meeting was led by Miss Viola Simpson. The subject was "What is Worth While in College." After a very interesting and helpful talk by Miss Simpson the meeting was thrown open for discussion of the topic and several Seniors made short talks.

Mrs. C. M. Coburn led the Y. W. C. A. service Wednesday evening and gave a most practical talk. She compared the building of a good character to the erection of Solomon's temple and discussed the importance of definite plans, good foundations and constant labor.

Miss Meriam Shryock, '14, entertained several members of the Freshman class last Thursday evening at her home on Chestnut street. A very pleasant evening was spent playing games, after which refreshments were served.

This evening the members of the Rochester track team are to be entertained at a smoker to be given by Phi Kappa Psi at their chapter house. A number of the men of the college have been invited and plans have been made to show the men an excellent time. The spacious porch will be fitted up for the occasion and refreshments will be served.

On Friday evening the Glee and Mandolin Clubs gave an excellent concert under the auspices of the Methodist Church of Geneva, Pa. The men left Meadville early in the afternoon, were conveyed in two large wagons to Geneva and there were served with an appetizing chicken and waffle supper. The trip home was made in the same manner after the concert had been given.

On Thursday morning the members of Professor LaBounty's Greek class, having decided that they wished to depart from the ordinary routine of wit and recitation, prepared for their worthy instructor a very delectable surprise. They left at home those much-worn Greek books and instead each man was armed with a formidable

rivalry and dissensions, to unite in making their school henceforward the one object of their remaining days at Allegheny and to become henceforward members of the same band of loyal Alleghenyites, Friday evening.

LED BY HUGHES.

Mid-Week Y. M. C. A. Service was an Inspiration to Many.

The regular Y. M. C. A. meeting on Wednesday evening was in charge of Thomas Hughes, who started the discussion upon the subject of "Forgiveness." Taking as his scripture lesson the parable of the merciful master and the unjust servant, the leader drew from this several excellent points applicable to the lives of college men. These points were well received and enlarged upon by an unusually large number of those present.

Among many others the following points were brought out by the leader and those who spoke afterwards:

"Our debt to God can be well compared to that of the servant to the master in the parable just read. We owe great things to Him and great transgressions are freely forgiven us. However, we in turn must learn to forgive our fellow men and to try to deserve forgiveness by practicing it ourselves."

"Forgiveness should not be limited time but should be indefinite. This is true, however, only as long as the person shows a willingness to be forgiven. There are many reasons why we should forgive but two stand out more plainly than the rest. In the first place, not to forgive is harmful to our spiritual being. Every forgiveness adds to our spiritual self. In the second place, we should forgive because we expect forgiveness from God. We should learn also to forgive in the real spirit and not to harbor ill feeling after the words have been said. This is one of the greatest forms of forgiveness to be acquired."

Miss Frances Norton, ex-'12, of Sherman, N. Y., visited college friends last week.

Miss Mollie Bassett, '11, and Miss Sarah MacKnight, '11, spent Sunday with Miss Lina Power, ex-'12, at her home in Dicksonburg.

POINTED AND WITTY REMARKS.

(Continued from page one.)

"The chief value of a college edu-
cation is that it enables one to do
what ought to be done when it ought
to be done whether one feels like it
or not. Virtue and Christian charac-
ter is an acquisition and a slow one
too. You must train every part of
the mind and body to act for emer-
gencies. There is an unusual virtue
in telling the absolute truth. . . . We
can get it but we have to fight. Every
day is given to us that we may gain
a little in virtue.

"For those who have been on the
edge of entering the ministry let me
say that it is a glorious thing to be
allowed to preach. The ministry does
not consist of a little homily and such
things but rather in catching men and
that is a hard enough task for any
man. If you cannot preach, you can
live a Christian life and by your ex-
ample make it easier for others to

Although the trials resulted in the
college records in the half mile and
the pole vault being equalled by Hil-

full strength of the team is still prob-
lematical. Paul Thomas, who won the
hundred, two-hundred and broad jumps,
has been declared ineligible along
with Max Croasmun, "Sawdy's" speedy
brother. In the two-mile, Sayre has
also beaten the college record while
Winn has been traveling very fast.
