Dear Miss Tarbell:

We shall be glad to arrange to meet you on your arrival here the 14th or the 15th and see that you get safely to the Venango Inn. If you expect to do no work at the college that day it might be easier for you if we met you at Cambridge Springs, since Cambridge is only about three miles from the Inn.

We were delighted to know that you will be willing to speak to the high school students on May sixth. The talk can be quite informal and we shall be glad to have you keep it within the half hour limit you have suggested. I know it will add a great deal to the success of our High School Guest Day.

Sincerely yours,

William C. Talley
