

Frankfort, Kansas.
May 20-38.

My dear Miss Tarbell:

Please inform me where I can get the book, by Eugene Chafin, "Lincoln the Man of Sorrows." Also give me the information describing the mole on Washington's upper right lip, corresponding with the mole on Lincoln's face or lip.

I will appreciate very much to get this information as it is very important.

Sincerely your friend,
Ruth A. Johnson.

Ida.
Free her also. What "George" had taken from
made of Wood Will
