Mr. W. deC. Ravenel,  
Washington, D.C.

My dear Mr. Ravenel:

Thank you for your letter of June 1st with the list of photographs for which I had asked. I am turning it over to the editor of Boys' Life which is to publish my story. He tells me that he will write you directly from the office concerning the pictures when they have made out their list.

And now, may I trouble you with another matter? Have you in any of your studies of pioneer life taken up the subject of games? I want to get hold of an authoritative account of the games that boys played one hundred years ago, and the way they played them. If you have anything of that sort, I shall be greatly obliged if you will let me know.

Thanking you in advance for your letter, believe me

Very truly yours,
