1932. Sept. 14

September 14, 1932

Mr. J. C. Montgomery
Elizabethtown, Kentucky

Dear Mr. Montgomery:

I have received the photostats of the pages from the Tom Lincoln ledger and journal accounts. Enclosed you will find my check for $3.80.

These accounts are most interesting to me and carry out an old contention that Tom Lincoln had more of a standing in Elizabethtown in the days that he lived there than his biographers have admitted. Gradually the discovery of such documents as this build up a case for his reliability and respectability.

Any time you come across anything in your neighborhood which contributes in any way to a better knowledge of Tom Lincoln I shall be grateful if you will call my attention to it.

Thanking you for the service you have done me in this case, believe me

Very sincerely yours
