

ONE WEST SIXTY SEVENTH STREET
NEW YORK

Dear Ida Tarbell:

I am in communication with
the Contemporary Art department
and City Commission of World's
Fair, and will do all in my
power to bring Miss Waller's
work before the proper
departments.

It was lovely seeing you the other
day at Leonabelle Tverbi's. My
long-time admiration for you thrives
with the years.

Fannie. [Hurst]
