Miss Ida M. Tarbell,
132 East 19th Street,
New York City.

My dear Miss Tarbell:

I received a letter a short time ago from Helen Louise Johnson, in which she said that the General Federation of Women's Clubs had moved to 37 East 28th Street, New York City. She asked me to give you this change of address, as well as to tell you that she was living at the University Club, 106 East 28th Street.

We are sending out the bibliography as fast as possible, and have received many kind words about it. It is said to be "timely", "helpful", etc. In fact, everything that has been said about it, so far, has been complimentary. Dr. Josephine Baker sent me an additional article of her own, on "The Relation of the War to the Nourishment of Children", which she thought could be added to the Child Welfare articles, and I quite agreed with her. I am sorry we did not know about it before.

I have received the material about the Waacs, which you sent to Mrs. Wilkes, but I think there is still more which has evidently been mislaid somewhere. We shall probably find it, however.

Hoping that you will be able to come and see us before long,

Very truly yours,

Ida M. Tarbell, Chief.
