Dear Miss Tarbell:

Thank you very much for returning the correspondence concerning Futer Hall and the Phi Beta Kappa Room. Some day this project will be carried to completion. I don't know how fast we can move, but perhaps when we celebrate our one hundred twenty-fifth anniversary in 1940 we can find a way to do it.

We missed you at commencement. I haven't forgotten that we talked about your giving a course in biography sometime next year. Your health may not permit it, but if you should gain in strength during the summer we would be glad to have you come almost any time.

With kindest regards,

Sincerely yours,

William P. Tolley
