Speeches, Awards In Class Day

Nine Given Phi Beta Kappa Keys; Class Gift, Flag, Ladder Oration Feature Today's Chapel Exercises

Presentation of the senior class gift and flag and their acceptance, the ladder oration, salutatory and valedictory addresses, and prize awards featured the annual Class day program today in chapel.

Phi Beta Kappa keys were awarded to Howard Beebe, Blaine Detrick, Anny Granierer, Kathryn Hill, Frank McKnight, Nancy Martin, Julius Raskin, Stuart Schaffner, and Shirley Silver. Charlotte Miller, Jane Lewis, Virginia Kirk, and Marian Mumford were awarded this honor last fall.

Salutatorian was Virginia Kirk and valedictorian was Marian Mumford.

President William P. Tolley gave the invocation.

Robert Welday, class president, made the ladder oration, and a reply was made by Richard Nichols, president of next year's senior class. Welday also presented the class gift, a sound system for Ford chapel, and Nancy Martin, class vice-president, presented the class flag to President Tolley.

Robert Miller, this year's president of the Allegheny Undergraduate council, presented a sound system for Brooks hall, the gift of the council.

Awards and prizes were as follows:

First prize in the Wakefield Oration contest went to Jean Chamberlain, '42. Haskel Hoffenberg, '44, was awarded second prize and Nancy Martin, '42, third prize.

The Philo-Franklin Freshman Persuasive Speech contest was won by Earl Leland. Second place went to Barbara Steele and third place to Donald Mogg.

The Myford Memorial fund prize, awarded to the "A" man in football ranking highest in scholarship, went to Edward Conlin, '43.

The Jordan Memorial fund prize, awarded to a nonsorority woman of superior ranking in scholarship and general merit, was won by Anny Granierer, '42.

The Craig fund prize, awarded to the junior man highest in general excellence, went to Edward Conlin, '42.

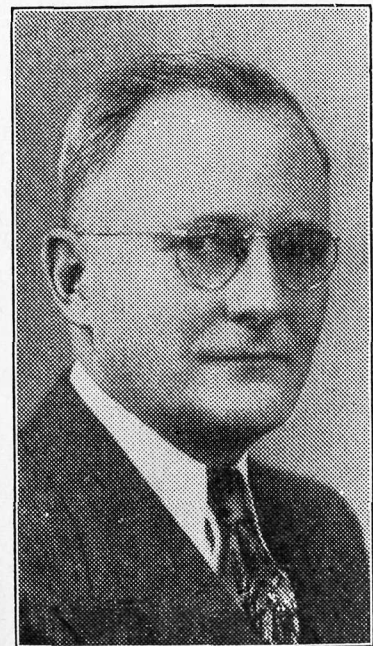

The Homer essay contest prize was won by Leah A. Strong.

The Ballinger prizes, given to the juniors showing unusual excellence in chemistry were won by James Bleasdale, '44 and Max Roha, '44.

Robert MacPherson, '43, won the Lee scholarship, awarded to a student showing unusual ability in chemistry.

Ethelmae Pritchard was awarded the Cwen scholarship prize, given to the sophomore woman who made the greatest advance in general profile of the diagnostic examinations.

The American Association of University Women loan fund was awarded to Dorothy Roland, '43.

Enrollment For Summer School High

Registration Set for June 8, Classes Tuesday

Three hundred and ten students have registered for Allegheny's summer session term to be held from June 8 till August 22, according to Hurst R. Anderson, registrar. 173 have registered for the first term and 137 for the second term.

Students will register for the first term on Monday, June 8, and bills for the first term are due at this time. Classes will begin Tuesday morning at 7:00 a. m. Registration for the second term will be held Monday, July 20.

The final schedule of class meeting times and places will be available at the time of registration.

The summer session staff has made provision for remedial counseling for students who have been in scholastic difficulty during the winter session. These students may register in the summer session subject to the program of remedial work required by the committee on personnel. A special fee of \$10 is charged for this counseling service.

Board and room for the summer session will cost \$11 per week. Students will room in Cafisch and Walker halls and meals will be served cafeteria style in Brooks hall dining room.

Four fraternities have voted to turn over their houses for use by women employees of the Fraser-Brace company, providing room for about 100 women. The three other fraternities, Phi Gamma Delta, Phi Kappa Psi, and Sigma Alpha Epsilon, will remain open for summer-session students.

Tuition fee is \$30 for three semester hours of credit. For each additional semester hour, the charge will be \$10.

All present and incoming freshmen are required to take a summer physical education course for which they will be given one hour of credit. Cost is \$10 for the entire session.

Two hundred dollars has been set aside by the Allegheny Undergraduate council for a summer recreation program.

The fourth annual educational guidance clinic will be held from June 28 till July 3, 1942, to assist high school students with educational plans and test their capacities for college life.

3 Week Session Registration May 18

Registration for Allegheny's first three-week pre-summer school session will be held Monday, May 18, from 2:00 to 5:00 p. m. in Bentley hall. College bills for the session must be paid by this time.

The period from 10:00-12:00 a. m. Monday morning will be used to lay out plans for the session with the individual instructor.

Regular classes will meet from 9:00 to 12:00 a. m. six days of the week. Individual reporting periods for the reading courses will be held according to the decision of the individual student and his instructor. Seventy-six have already registered for the pre-summer session, including sixty-four men and twelve women.

Board and room for the pre-summer session will amount to \$11 per week, while the tuition charge is \$10 for each hour of credit. Meals may be secured in the college grill. Meal tickets will be issued on payment of bills. Students will room in Walker and Cafisch halls.

AUC This Week

John Foster, newly-elected president of the AUC, presided over the first meeting of the new group last Sunday.

Other officers of the council elected at last week's meeting are: John Petre, vice-president; Dorothy Ketcham, secretary; and Richard Nichols, treasurer.

Robert Miller, president of the retiring AUC, presented his recommendations for the activities of the group next year.

Budgets for all organizations financed by the council should be turned in to Richard Nichols by the end of this week.

130 Seniors Get Degrees May 17

Bishop Ivan Lee Holt Featured Commencement Speaker; Senior Prom, Singers' Concert, Playshop on Program

In the first Allegheny graduation exercises to be held in May since 1918, 130 seniors will receive their diplomas at the commencement services Sunday, May 17, at 3 p. m.

According to Philip M. Benjamin, general chairman for the graduation weekend, commencement this year culminates an elaborate three-day program, including senior-parents-faculty reception Friday, alumni day, Phi Beta Kappa induction of new members, the senior prom Saturday, and the baccalaureate services Sunday morning.

Court Election Results Announced

Jean Risser, Helen McClester, Ruth Gelbach, Marjorie Miller, and Jane Burwell comprise next year's women's senior court as a result of the elections Monday.

In the same elections, Dorothy Devlin was chosen on a runoff ballot as the third freshman to represent her class on the senate.

Wilmah Beck, as vice-president of the Associated Women Students, will preside over the senior court.

26 New Junior Advisers Named

Twenty-six sophomore women have been chosen to act as junior advisers to next year's freshman girls.

They are: Virginia Bennett, Joan Bliss, Ellen Boyd, Marilyn Branger, Virginia Chester, Jean DeHaven, Caroline Emerson, Arlene Fegley, Nancy Filer, Ruth Forrester, Emily Jane Gould, Ruth Hammon, Jane Heibel, Mary Helene Hillstrom, Mary Ann Whitehouse, Nancy Konstanzer, Priscilla Long, Jane McIntyre, Jean Merrill, Dorothy Pomel, Anne Rinehart, Betsy Strouse, Charlotte Snell, Nancy Sutton, Doris Traub, and Roberta Waite.

The group is selected by the retiring junior advisers and is approved by the women students' senate.

Tolley Defends Liberal Arts Plan

President William P. Tolley defended the program of the liberal arts college in a stirring manner at a debate of the American Council of Education meeting last Sunday, where the plan of President Robert M. Hutchins of Chicago university for granting the bachelor's degree at the end of two years was severely criticized.

Speaking in company with such men as President Clarence A. Dykstra of Wisconsin university, Dr. Walter C. Eels, executive secretary of the American Association of Junior Colleges, and President Homer P. Rainey of the University of Texas, President Tolley declared that the plan "was the expression of an inferiority complex of Americans dazzled by the educational systems of the Old World."

The debate came at the close of a two-day conference, attended by 500 college presidents, administrators, and school officials.

Bishop Ivan Lee Holt, president of the Federal Council of Churches in America, will speak at commencement exercises Sunday afternoon.

Seniors and their parents and friends, alumni, and faculty will be guests at a reception Friday evening, May 15, at 8:30 in Brooks hall.

Five-year class-reunion breakfasts begin the program for alumni day, Saturday, May 16.

Following the breakfasts, John Cavelti of the chemistry department will speak on "Science and the War" and Dean John R. Schultz will discuss "Books for Today" at the alumni college in the Playshop at 11:00 a. m. An alumni luncheon will be served in Brooks, Saturday at 12:30.

Induction of new members into Phi Beta Kappa in the treasure room of the library at 2:30 will be followed by the dedication of the Lord gate at 3:00 p. m.

The annual Singers' commencement concert is scheduled for Saturday at 3:30 in the men's gymnasium. For Saturday evening, fraternities, sororities, and independents have planned dinners honoring their alumni.

Saturday evening will feature the senior prom in Brooks hall at 9:00 p. m. and a Playshop production of "Arms and the Man" also at 9:00 p. m.

President William P. Tolley will give the baccalaureate address in the Stone church, Sunday morning at 10:45 a. m.

An address by Bishop Ivan Lee Holt of Dallas, Texas, to one of the largest graduating classes in Allegheny's history, will highlight the commencement exercises in the men's gymnasium at 3:00 p. m. Following commencement, a tea will be held in Brooks hall.

The program:

Friday, May 15:
8:30 p. m. reception in Brooks hall for seniors and their parents, alumni, and faculty

Saturday, May 16:

9:00 a. m. class reunion breakfasts
11:00 a. m. alumni college in the Playshop
12:30 p. m. alumni luncheon in Brooks hall
2:30 p. m. Phi Beta Kappa induction of new members in the treasure room of the library
3:00 p. m. dedication of the Lord gate
3:30 p. m. Singers' annual commencement concert in the men's gymnasium
6:00 p. m. fraternity, sorority, and independent dinners
9:00 p. m. senior prom in Brooks
9:00 p. m. "Arms and the Man" to be presented by the drama department in the Playshop
Sunday, May 17:
10:45 a. m. baccalaureate in the Stone church
3:00 p. m. commencement exercises in the men's gymnasium
5:00 p. m. tea in Brooks hall

Commencement

Graduation of this year's senior class on Sunday, May 17, will mark Allegheny's first commencement in World War II when approximately 68 men and 63 women will leave the campus for the outside world.

The outside world has changed since the last graduating class. It is no longer a world where the college graduate hunts for a job. The job is waiting for him. That, at least, is one consolation.

But personal ambitions will have to be laid aside tenderly for the next few years until the world has been straightened out. This class and other classes following get the dirty job of straightening it out.

Not till then, not till the war is over, can the class of 1942 pick up where it has left off. They cannot call their lives their own until that sordid task is accomplished. For almost every member of the class, both men and women, will be fitted into the war effort in some capacity, either as a soldier or a worker in an industry vital to victory. This is the way the signs point now.

We hope that the realization of this fact will spur the classes that remain in school into preparing for this type of future. We hope that the present "ostrich attitude" of indifference of so many undergraduates will become a thing of the past. Women must realize that they should become fitted for some special occupation, since women will be making inroads on jobs formerly considered only for men. Men should prepare for the immediate future in the same way, either by some type of military training now or by becoming so adept in some kind of work that their skill cannot be ignored.

Editorial Round-up

This being the last issue of the **Campus** till next fall, we shall take this opportunity to mention briefly certain campus topics which deserve fuller discussion than the limited amount of space we have provides, but which should not be postponed until September.

The fine performance of the Singers in a recent chapel makes us hope that this organization will be heard on the campus more often next year than it has been heard this year. With such a worthwhile singing group already here, it seems quite sensible to make use of it occasionally rather than to import outside speakers for daily chapels.

There has still been no explanation given to the student body as to the reason for the rejection of the petition for Sunday open-houses for fraternities, which was sponsored by the MUC, and presented to the faculty early this semester. We feel that the students' rights have been ignored and that the whole affair has been conducted in an extremely haphazard manner. Student-faculty cooperation is made very difficult after this petition has been treated as of no importance by the faculty.

Our first invitation to the **Gadfly** to cooperate with the **Campus** has not been answered. Once again we repeat our invitation to the **Gadfly** to use the columns of this paper to present its ideas. We can't do much more than that. There should be no need for two student publications of this type at Allegheny.

Needless to say, the election of senior superlatives was a farce, not only in the small number voting, but also in the tremendous part that fraternities and sororities played in choosing the superlatives. The election should be held in a different manner next year, with a smaller number of "mosts," or else abandoned entirely.

Petitions asking for pre-induction military training at Allegheny were turned in to the student-faculty defense committee last weekend for discussion. About 125 men students signed the petitions asking for such a course.

Vaguely Speaking

Since our seniors are going to be leaving us in a short while, it may be nice to have some last-minute remarks from some of the illustrious. Several were very shy when approached on this subject, others shirked and merely declared that their sentiments couldn't be printed. Well, anyway, those worthy of being printed follow:

EARL ANGER: "Have a cigarette, or, you haven't been ELK-ing it lately, or, x?x\$*!!."

BETTY LING: "We hope." (Take it as you please).

JOE NASTA: "Why... I... well... I just don't want to think of my past... (to himself) Most 'athletic,' hmmm-m-m-m!"

DOTTIE FRENCH: "Four years is a long time to spend in one place."

JANE RUOSS: "Nothing, nothing!"

P. A. GREEN: "If I would have four more weeks, I could REALLY finish my comprehensive."

MISS JEAN CHAMBERLAIN: "Four perfect years... I wish there could be four more just like them!"

And from the retiring AUC president, whose deep voice can actually be heard throughout the chapel:

GUBBY MILLER: "Tapping the experience and knowledge of students who have lived midst the Allegheny tradition for the past four years should certainly produce a variation of interesting answers. My own feeling is this. Every student should be alert to each situation as it develops. There will be many unpredictable situations, yet the schools must be elastic enough to offer continuing guidance."

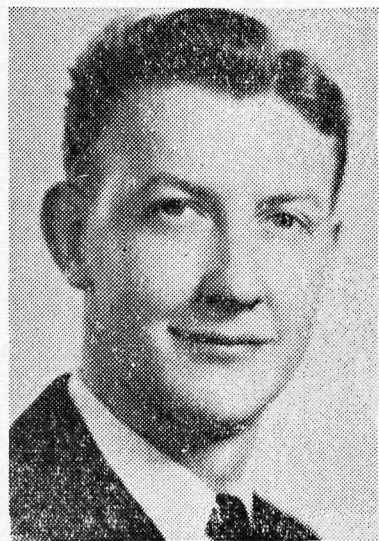

PHI GAMMS get another point for novel ideas. Some might remember the "burning star" last year. Now they have come across with a serenade for the girls during dinner. A few weeks ago this column wondered why the boys didn't serenade in the daylight—so they could see what they were doing. To an extent this has been fulfilled. Now this column threatens a BREAKFAST serenade. Then is when the boys would really SEE the girls, minus their personality.

Letters . . .

President Franklin D. Roosevelt
The White House
Washington, D. C.

Dear Mr. President:

We realize your order to evacuate the Japanese, alien and citizen alike, from the west coast has the backing of military urgency. There are, however, many serious objections which we hope you will consider. Since the F. B. I. has already done an efficient piece of work in taking into custody all Japanese of suspicious or dangerous character, those to be evacuated are in no sense spies or traitors. Furthermore, over 71,000 of them are American citizens who are to be parted from home and job without democratic recourse to any court or hearing; they are thus stigmatized as second-class citizens deprived of the privileges and immunities of the Bill of Rights.

The public hysteria over supposed Japanese sabotage in Hawaii, now formally denied by the Hawaiian Territorial Delegate and the Chief of Police of Honolulu, seems, according to evidence before the Tolan Committee, to stem largely from greed for the land the Japanese developed and from racial prejudice. The race issue is emphasized by the fact that hearings before civilian boards are granted to German and Italian aliens, but not to Japanese. This discrimination against a single race approximates the Nazi treatment of the Jews, and is the sort of thing which will give aid and comfort to our enemies throughout Asia.

There is the argument that such segregation will protect the Japanese from rude handling by overzealous patriots, but "protective arrest" has an unpleasant odor to a free nation. The sight of American citizens in concentration camps in virtual economic slavery is even more repugnant to free people. Once the Japanese are segregated in such camps, there will be a growing temptation to keep them so segregated after the war is over and to confiscate the property they still hold. This evacuation of one race will sow the seeds of a bitter harvest for the future.

It is our earnest hope that you will allow neither alien nor citizen to be evacuated without individual hearings before civilian boards so that those who are above suspicion can remain in their homes and at their work.

Very sincerely,

Softball Ends:

The Phi Psis swept their final games of the season to gorge into a three-way tie for first place last week. Once again "Hank" Frye, not the invincible master of old, but still plenty tough in the pinches, pitched the Phi Psis to their victories. His speed and curves were superb with men on bases against the Sigs and Chi Rhos.

After clicking smoothly in the first inning, the S. A. E. defense fell apart in the second to allow the Phi Psis' first tallies. Although the Sigs bounced back with a run in the third, three in the fourth, and a desperate two-run rally in the sixth, they could not match the seven-run total which the Phi Psis collected the second, third, and fourth innings.

A see-saw battle saw the Phi Psis outslug the A. X. P.s, 12-6. Except for a six-run rally in the third, Frye was untouchable. His mates, however, found Joe Nasta for numerous hits in amassing their 12-run total.

Nasta is reputed to have forfeited his mustache as a result of the defeat. However, he still sports the bristles proudly and probably will not pay off until after graduation.

Final softball results:

Intramural Standings:

These unofficial standings, which do not include varsity track and tennis, find the Phi Dels still maintaining a comfortable lead over the Phi Psis. A mental resume of the personnel of the track and tennis squads leads us to believe that the intramural cup will reside on Terrace street next year.

Pierce Elected '43 Track Captain

Bill Pierce, '43, was chosen captain-elect of next year's track team, it was announced yesterday by Coach Al Werner.

Pierce has been a consistent winner in his specialty, the pole vault, in the last two years, and holds the college record for that event. In addition he competes in the broad jump, high jump, and discus events.

Five Gators Enter Meet In District

District Schools Meet Saturday at Beaver Falls Field

Five Gator trackmen will represent Allegheny in a district meet which is to be held in Beaver Falls on Saturday. The Allegheny contingent will include Bill Pierce, Ed Gasteiger, George Cramer, John Caughey, and Carl Roemer.

The meet is one of a series which have been held annually for the past several years in which the smaller schools of the district have competed.

This year ten schools expect to be represented at the meet. In addition to Allegheny, schools competing on Saturday will be Carnegie Tech, Bethany, Geneva, Grove City, Shippensburg State Teachers college, Slippery Rock, W. and J., Thiel, and Westminster.

The Gator entrants expect to compete in a versatile list of events during the meet and have a good chance of carrying off honors in several of them.

Pierce will enter the pole vault and broad jump events; Caughey will run in the 440 and 880 yard runs; Gasteiger will run in the one and two mile races; George Cramer will enter the 100 and 220 yard dashes and the high jump; and Roemer will enter the discus, shotput, and javelin events.

The Gators stand not only a good chance to win several of their respective events but in two cases at least to break the meet records. The present meet record in the pole vault stands at 11 feet, 7 inches and the 440 yard dash mark is 52 seconds.

Pierce has equaled the vault mark already and narrowly missed an 11 foot, 8 inch try last week against Kenyon. Caughey has also turned in 440 times which show that he is capable of setting a new record for the meet on the basis of past performances.

In any event, the five men should prove a contingent to be reckoned with by their competitors this Saturday.

Outing Club Has 32 New Members

Thirty-two new members were inducted into the Outing club at its annual initiation last Friday afternoon.

They are: Mildred Shurtleff; Ruth Fenn; Marjorie Sterett; Dorothy Colley; Phyllis Campbell; Betty Jane Keyes; Helen Dickinson; Frances Smith; Helen Thomas; Claire Waldner; Barbara Steele; Lois Helms; Jeannette Howell; Jeanette Pyle; Kathleen Taylor; Betty Munson.

Don Mogg; Elgin MacConnell; Bill Price; George Wittbold; Bob Pierson; DeForest Matteson; Wilson Strong; Carl Roemer; Bob Beighel; Steve Birmingham; Edwin Torrey; Gordon Patterson—all of '45.

Sophomores also initiated were: Dorothy Walker; Martin Staller; Harold Miller; and Tom Putney.

Trackmen Top Kenyon In Last Meet

Allegheny college's Blue and Gold trackmen literally ran an undermanned Kenyon college crew into the cinders last Saturday as they overwhelmed the plucky Ohioans, 88-38, before a large high school "guest day" crowd.

Coach "Al" Werner's Gators thus ended their abbreviated track season with a .500 average of one victory and one loss.

However, no credit should be denied the Blue and Gold cindersmen who really put on an admirable exhibition as they ground out 11 firsts out of the 14 track and field events. Captain Gasteiger won the mile handily in the creditable time of 4:54.4 and placed behind Jim Heilbrun in the two-mile run, but the surprise Gator distance find was John Caughey, who paced the field in the 440 to win in the very fine time of :52.3 and then returned to capture the 880 in 2:04.3.

Three other Alleghenians joined Caughey as double winners—George Cramer broke the tape first in the 100-yard dash and also outjumped three of his mates to walk off with top honors in the high jump; brawny Bill Pierce had no competition as he pole vaulted his way to a first in his specialty and also walked off with the broad jump laurels; and musclemen Carl Roemer out-heaved the field in the shotput and the discus. Guy Tiffany upset the dope as he tossed his way to the javelin honors.

The one disappointing note in the otherwise stirring triumph was the conspicuous absence of Don "Decathlon" Turk, five-star ace who was forced to watch the afternoon's proceedings from the sidelines due to injuries suffered in the Tech meet.

The summary:
100-yard dash—Won by G. Cramer, Allegheny; Nasta, Allegheny, second; Collier, Kenyon, third. Time—:10.5.

220-yard dash—Won by Collier, Kenyon; Strong, Allegheny, second; Nasta, Allegheny, third. Time—:23.9.

440-yard run—Won by Caughey, Allegheny; Craig, Allegheny, second; Octigan, Kenyon, third. Time—:52.3.

Half-mile run—Won by Caughey, Allegheny; Lammert, Allegheny, second; Allan, Kenyon, third. Time—2:04.3.

Mile run—Won by Gasteiger, Allegheny; Lammert, Allegheny, second; Ahrens, Kenyon, third. Time—4:54.4.

Two-mile—Won by Heilbrun, Allegheny; Gasteiger, Allegheny, second; Crittenden, Kenyon, third. Time—12:08.1.

120-yard high hurdles—Won by Collier, Kenyon; Anderson, Kenyon, second; Leech, Allegheny, third. Time—:16.9.

120-yard low hurdles—Won by Collier, Kenyon; Anderson, Kenyon, second; Leech, Allegheny, third. Time—:14.3.

Shot put—Won by Roemer, Allegheny; Anderson, Kenyon, second; Murphy, Allegheny, third. Distance—36 feet, 9 inches.

Golf Tournament Held Next Friday

Fifth Tourney of Series To Be Held at Conneaut Lake

Allegheny's fifth annual Invitation Golf tournament will be held on Friday, May 15, at the Conneaut Lake park course, it was announced this week by H. P. Way, director of athletics.

Invitations have been extended to a number of district schools and it is expected that, barring conflicting examination schedules, the meet will be well-attended by blub contingents from district colleges.

The Woman's Side

By Jean Risser

In keeping with the National Physical Fitness program that is being advocated all over the nation at this time, the women's physical education department here at Allegheny has stressed self-improvement, good posture, and general all-round physical well-being this year. Included in this program was the observance of a Posture Week this spring. During this Posture Week, judges chosen from the faculty, including Miss Pomeroy, Miss Gilchrist, Mr. Hulburt, and Mr. Way, with Mrs. Margaret Taylor as a special judge, observed the Allegheny co-eds for a week and chose the following girls as those who they felt, had the best postures.

Nancy Martin was picked as the senior for first place with Patty Ann Green receiving second place; Wilma Beck is first in the junior class with Bettymae McComb second; the sophomores are represented by Ellen Boyd and Ann Thoburn as first and second place winners, respectively; Marianne Kocher is the freshman in first place with Eleanor Hutchison in second place. Each of these girls will receive extra intramural points, those in first place, 25 points, and second place, 15 points.

This year the finals of the badminton tournament saw Betty Pidgeon and Dorothy Horner vying for first place honors. They both played a good game but "Pidge" is the new champion, putting Dottie in the runner-up position.

The tennis tournament has not been completed as yet with several matches still to be played by Virginia Bennett, Virginia Chester, Peg Voelker, Bettymae McComb, and Jane Austin. It is hoped that these games will be played soon and the tournament completed.

Don't forget that the archery finals will be held this afternoon at 3:30 at the Arter athletic field.

Anderson, Kenyon, third. Distance—105 feet, 9½ inches.

Javelin—Won by Tiffany, Allegheny; Anderson, Kenyon, second; Roemer, Allegheny, third. Distance—156 feet, 6 inches.

Pole vault—Won by Pierce, Allegheny; Anderson, Kenyon, second; Cramer, Allegheny, third. Height—11 feet.

High jump—Won by G. Cramer, Allegheny; Craig, Pierce and McPherson, Allegheny, and Penn, Kenyon, tied for second. Height—5 feet, 6½ inches.

Broad jump—Won by Pierce, Allegheny; Cramer, Allegheny, second; Anderson, Kenyon, third. Distance—19 feet, 9½ inches.

University of Wisconsin students who attended the 1942 junior prom went without corsages to buy more than \$500 worth of defense stamps.

Last year eight teams, Slippery Rock, W. and J., Grove City, Hiram, Carnegie Tech, Allegheny, Edinboro, and Westminster competed in the tourney and finished in that order.

The Rockets' winning card showed a 327 total, six strokes ahead of the second-place Presidents, who carded a 333. The Gators, in sixth place, had 353 for the afternoon.

The winners of the tournaments have been: 1938—Allegheny; 1939—W. and J.; 1940—W. and J.; 1941—Slippery Rock.

Each year the tourney has enjoyed increased popularity and prestige and has become one of the outstanding spring intercollegiate events in this district.

At present, all the expected entries have not yet been received, but it is probable that Grove City, twice runner-up, W. and J., Slippery Rock, and Westminster will again be on hand for this year's tournament and that other local schools with regular golf squads will also compete.

The Allegheny entrants have not yet been chosen but will be selected on a basis of reported scores in practice rounds.

Anyone wishing to enter for the school should contact Mr. Way and turn in their cards of practice rounds as soon as possible.

Each school will enter a four-man team in the tourney and mixed foursomes will tour the park course during the afternoon.

Net Squad Faces Grove City Today

This afternoon the crippled Gator netmen play host to their traditional rivals, Grove City, on the Cafilisch courts at 2:00 p. m. The match will be the final one of the year for the Gators and the second since the Navy snatched Blank, Brokas, and Caravacci from the squad.

The effects of the loss of the three top men on the squad was sorely felt by the Gators on Tuesday when they lost to a mediocre Westminster squad, 8-1. The netters showed lots of fight and spirit for the most part but were not up to the mettle of the Titans' dogged attack.

The summaries:
Meckling defeated Fauver, 6-1, 9-7.

Day defeated Conroy, 6-2, 7-9, 6-2. Montague defeated McKnight, 6-1, 6-2.

McRae defeated Reider, 6-0, 6-3. Leuthner (A) defeated Jamison (W), 6-4, 7-5.

Kingsbury defeated Lyons, 6-1, 2-6, 8-6.

Meckling and Day defeated Fauver and Conroy, 9-7, 6-1.

Jamison and Bright defeated Reider and Leuthner, 7-5, 1-6, 6-2.

Last Saturday the squad gave the three departing men a decisive victory over the Tech Tartans, 6-3, as Blank, Caravacci, and Brokas all won in their final singles and doubles matches. The match was played at home.

NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ **New Deferred Service Plan Allows You to Continue Your Education** ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an urgent need here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

Three Enlistment Plans for College Men

**Juniors—Sophomores—Freshmen
May Continue Their Education**

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

**All College Men May Enlist
for Immediate Service**

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.
