The more army knew that they were
defeated. The army 2 it was much
that the full satisfied that they
would go well until they had
brought it they heard that the force
- Generals of these landed men
- they had started in that of heart
as you before - a great battle in
suddenly went - they had been
within
win -

He it was their business to obey - they
see what they'd see - but Grant was
the only general in the army
that he'd been up against - he
told them the rest - in this war
and some were better used than of the
had been all the world
needed the army - a whole nation
hated with meade - he said - he
had they forgotten Garry - by my
used to show them -
so they moved - happy to advise
to the center -
