Oct 6. Usual surprise Xtal - I am in for something "big" - like going to dinner a Duke & find my pupils in a crowd - Bell small & fast - annoying relief to find Judge Gary by my side & introduces me to Wealthy man & says - "Mrs Rockefeller is here - He may not want to meet you" Copy Xtal - & dull stupid as the last party introduced.

Barnes introduces himself - big smiling strong - number of big men in our division - the public - Industry. Gary doesn't see me anything each became - asks for my program & tells him & asks me to meet him - tell him he must support it him - tell him he must - Labor employees representatives & he doesn't demur.

Strange dropped as Gary - nothing will come of it - my job is finished. Something does come - there are others who will want to get away

should be shown civic
Public policy interest - everybody
time - Secretary & all - find myself
pleased to know so many -
every one called attention to
my absence to R. (who often can
when but seldom coming in one
pattern - away. accident &
See Tuttle - Jihad shall be de -
"Preventive -

In every meeting deeper difference
about forbidding liquor -
and give something in exchange
in Democratic idea. Should have
a moral question - duty not -
to strike - this in regard to public
function - police etc
Security & Management: Sidney Hillman
Grant - also Utility Council - Have
had something I sent home for a
long time? Not yet quite -

At bottom - Moral of Mrs. Useful Reduction = Duty - Objection to Society - are return to this

2. Returned Soldier service

3 Return in accord with duty service

4 Self Respect - would forbid man to want a later man i.e. when should be out - in what man does not want he can get.

Our problem 1st Can we get income for value of maintenance -

(1.) Capital is result of past labor accumulated service = must be protected & used only to advance general welfare - private welfare.

2. e. when should be never be subjected to speculation

Return on it - fixed - nere reunion
expenditure - no value elect -
fixed value -

This dispute is over the conclusion 2
returns of Labor in the industrial
scene. It is hoped about because
Labor does not believe it is getting
its recognition, participation, &
share of profit. Putting in more
than it takes out are compared
with capital & the public.

Public's part:
consumer- wants abundance &
variety- cheapness, steady
What are our duties towards
Labor & capital:

I What are our demands of L. & C.

We are buyers = spirit in which
we do- we are given to us as gifts
& we are prevalent.
1. Relations in lawful & public
2 question of participation & administration
& profit-
our duty & power in spirit- that
they find it easy to participate
Spirit capitalist- by cutting out waste
& speculation -
Profit = method of putting money
capital for future - Spirit reduction
Public & employees
administration & labor in
