

12 January 1929

Dear Mrs. Tarbell,

Forgive me for being
persistent, but — I should feel
so much easier in my mind if
I could be permitted to inflict
those buff chapters upon you? —
If you could endure only the
three — 1890, 1897 and 1909!
What you think it could
be done? —

Wishing you a happy New Year,

Sincerely,

Nathaniel W. Stephenson
