Doing the Largest, Safest & Best Lyceum Business in the United States

THIS LETTER WRITTEN FROM
 SUITE 1101-1104 HIPPODROME BUILDING CLEVELAND Dec. 4, 1916.

Miss Ida Tarbell,
 132 E. 19th St.,
 New York, N. Y.

Dear Miss Tarbell:

I very much appreciate your good letter of December 1st. Your explanation regarding the extra talk at Piqua is very satisfactory, and, under the circumstances, it was the proper thing for you to give the additional lecture.

I knew you would appreciate Dr. Woodley's letter. We consider your lecture work a success. People hear you gladly, they follow your lecture, and they get some ideas, which is a whole lot more than can be said of a great deal of lecturing that is considered successful. I trust you will continue to lecture for some time to come, and I hope you have made up your mind by this time regarding the Chautauqua tour on the Pacific Coast for 1918.

I note that the schedule with the Alkahest Lyceum System is not very good. Please send me copy of it, and if they have not complied with the terms of the contract, we will see to it that they do. We do not wish you to be disgruntled regarding any schedule given you by any member of the Affiliated Bureaus. We hold ourselves responsible.

LJA-MM.

Yours sincerely,
