

April 19" [1939]

My dear Mr. Lee;

Yours Letter &
your "Life" arrived.

It seems wonder-
ful this life you have
lived -

Surely God has
been with you always -

you know
the task you asked
me about is alright -
as you ^{would} not do anything
wrong - If the folks
don't make

²
a lot out of it, it will
only be the kindly
fate of it, as no
one would fight
for our dear father
Walker - only you
dear da -

You know
how much darling
Mother & father appreciate
it - & while reading
I knew darling Mother
& father were with
me -

I had hoped
you could come or

return this³ may - but that's
alright. Ad I love you dear -

The time will come
when we can visit again & hope
soon - Thank you darling for
all in a Day's work" - & a
wonderful, wonderful, love
work -

4.

Do not try to
write me while you
are at Medville.
I rather think of you
darning, as I know
you tried it.

Thanking you dear
for the true friend
you are -

Darndolly -
Doh
