THE COSMOPOLITAN CLUB
122 EAST 66TH STREET
NEW YORK

January 23, 1937

My dear Miss Tarbell,

As you know, the Cosmopolitan Club has a special collection of members' books, and the Library Committee is shameless in approaching members for gifts of their work.

That is the reason I am hoping that you may care to give the Club your new book, The Nationalization of Business. It will be welcomed and greatly cherished.

If you care to autograph it, we will be more than grateful to you.

With cordial regards, believe me

Very sincerely yours,

Jane Bruère
