Mr. Daniel W. Hoan
Milwaukee, Wisconsin

Dear Mr. Hoan:

The copy of your book
"City Government" has reached
Miss Tarbell's desk. She is out of
the city at present but upon her
return I shall call her attention to
it. I know she will want to read it
at her early convenience, and I know
if she were here she would be writing
you a note of thanks.

Yours very truly

Secretary to Miss Tarbell
