Dear Dr. Roberts:

It was a pleasure to
talk with you the other day. ~~and~~ I am *ver*
hoping that I can write a letter
nominating Mr. Robertson in the Ford
contest that will meet your approval.
I cannot get at it before next week,
but I take it that will be ample time.

I am glad you sent me
the memorial volume on George Westinghouse.
It is admirably done and reenforces the
impression that I have of him from the
work I did in preparing an article a
few years ago on your educational
system, as well as for a recent book
on the Nationalizing of Business.

Hoping that I can get
out something for the Ford contest
which will be satisfactory, believe me

Very sincerely yours
