LIBRARY OF THE MUSEUM

Miss Ida M. Tarbell,
120 East 19th Street,
New York, N.Y.

Dear Miss Tarbell:

Under separate cover are being sent
some general articles from the file on Industrial Museums,
to which we referred on the telephone, and a return
envelope for your convenience.

There seems to be a need for the kind
of list you request and I regret that there is not one
in printed form, or some study that is up to date, for
this movement in the United States. If you will be
interested in the Fall, when Professor Richards returns,
I will ask him to write you on the subject. It is the
librarian's job, had she the time or facilities to do it,
which at the moment our librarian has not.

Very truly yours,

V.L. Dodge
