Mr. Logan Esarey,
Editor Indiana Magazine of History,
Bloomington, Ind.

My dear Sir:

Can you send me copies of the Indiana Magazine of History for December 1917 and May and June 1918, containing articles on "Lincoln in Indiana" by J. Edward Murr. I should like these articles as soon as convenient, so shall be obliged if you will send them with bill.

If you have anything else on the subject will you not kindly let me know?

Thanking you in advance, believe me

Yours very truly,
