Dear Miss Tarbell:

I have read your book "In The Days Work" and want to congratulate you not only on your book but upon your eventful and highly interesting life.

The book was of such interest to me and to Mrs. Aldrich that I want to send copies to our two daughters, and would appreciate it if you would autograph them. Could you arrange this with the publisher and have them send me the bill so that I may forward a check to them covering the cost of the books and postage. The names of the daughters to whom I wish to send the books are as follows:

Mrs. J. M. Bedford, Jr.
Williams, Arizona

Mrs. J. W. Forrester, Jr.
434 North 11th Street
Corvallis, Oregon

I presume I could get the books through a local business house but am writing to you as I think it would be interesting if you could autograph them.

Very truly yours,

E. B. Aldrich
Editor and President
