New York, N.Y.,

Dear Madam:-

Acknowledging receipt of your favor of the 11th. inst., we beg to say that you were correctly informed as regards the Meriden Britannia Co. having established a branch in Canada early in the seventies, -not necessarily for the manufacture of goods for the foreign market, but for the manufacture of goods for the English market, -principally the Canadian. We are still carrying on this branch, and have no other branch factories in Europe.

We are very glad indeed to give you this information and we trust it will be of value to you in the work you are doing.

Yours respectfully,

International Silver Co.
successor to
Meriden Britannia Co.
