Mr. William E. Woodside,
Hingham, Mass.

My dear Sir:

Mr. Houghton Page of the First Parish in Hingham, has given me your name as one who possibly could do some photographing for me in Hingham. There are several articles, as well as documents there and in Cohasset which I want photographed, and later there may more to be done. The following is the list:

Church silver (Consult Mr. Page)

Records of land allotted to Samuel Lincoln and Thomas Lincoln, in town clerk's office (pages 57 and 58, 110 and 111)
Mr. Page has been good enough to say that he would go with you to the town clerk's office if you do not feel quite sure that you have the right entries.

Please ask Mr. Ernest Lincoln, the pharmacist, if he will allow you to make photographs of the big and little mortars and pestles which he believes to have belonged to Samuel Lincoln. Tell him that I shall be very glad to have you make a copy of these for himself.

I want also a picture of the house which at present stands on the site of Samuel Lincoln's old house. I think this is the house occupied by Mary Whitton. Mr. Ernest Lincoln can tell you this certainly.

I have a little work to be done also in Cohasset. Could you go there for me?

Very truly yours,
