

NEW WOMEN'S SENATE INSTALLED THURSDAY

WOMEN'S GOVERNING BODY FOR
NEXT YEAR TAKES OVER
DUTIES

Thursday morning, May 21, at a special Chapel service held by the young women of the College, the members of the Women's Student Senate for next year were installed. Eleanor Taylor, retiring President, spoke of the duties of the members of the Senate, which are to govern, in cooperation with the Dean of Women, in all matters pertaining to the girls which are not truly academic, and to uphold the dignity of the Senate by example and precedent.

The retiring officers read the duties of their respective offices to the new members, and Miss Taylor gave the new officers the oath of office.

The retiring officers are Eleanor Taylor, President; Doris Peterson, Vice-President; Marion Olmstead, Secretary-Treasurer; Margaret Webb, First Senior Town Member; Charlotte Johnson, Second Senior Town Member; Mary Alice Jackson, First Junior Hall Member; Naomi Reisacher, Second Junior Hall Member; Agnes Daugherty, Junior Town Member; and Mina French, Sophomore Member.

The officers for the coming year are Mary Alice Jackson, President; Naomi Reisacher, Vice-President; Marian Whieldon, Secretary-Treasurer; Maybelle Andrews, First Senior Town Member; Virginia Hatch, Second Senior Town Member; Ruth Hunter, First Junior Hall Member; Mina French, Second Junior Hall Member; Elizabeth Ellis, Junior Town Member; and Eleanor Meecham, Sophomore Member.

After the new members were installed, Miss Jackson took charge of the meeting. Miss Staley spoke briefly of the excellent qualities present in the members of this year's Senate, and expressed the belief that the members chosen to make up the Senate for next year showed promise of being a successful body.

Miss Jackson, in an address, said that the Student Senate was fundamentally an honor system. Without cooperation the system will fail, but with united action it is one of the most fundamental powers for good on the campus.

ALFRED TRACKERS TO BE MET IN FINAL CONTEST

ALLEGHENY TO CLOSE SEASON
IN A HOME MEET WITH
NEW YORKERS FRIDAY

In meeting the Alfred University track team on the local field Friday, May 29, the Blue and Gold faces the severest test of this year's schedule. A victory over Alfred would not only even up the defeat suffered by Allegheny last year, but also would complete an undefeated season.

The New Yorkers always manage to put an excellent team on the field and a victory over them would be no mean accomplishment. Last year's defeat was by the score 75-23 to 50-13.

The visitors' greatest strength is in the races while in the field they were topped last year by the superior ability of the Blue and Gold men. Taking this into consideration, prospects are bright for a victory, as the Allegheny team remains intact in the field and great improvement can be noticed in the dash men. Williams and Rea are both running brilliantly, Rea almost breaking the college record for the 880 last week. Jones is expected to walk away with his specialties, the one and two mile runs, which will give the Blue and Gold two firsts which were lost last year. The javelin throw was also lost to Alfred, but since then Tornatore has developed into a stellar performer in this department and he will furnish great opposition to the Alfred entrants.

KALDRON TO BE DISTRIBUTED DURING SECOND WEEK OF EXAMS

The Kaldron, Allegheny College's year book, will appear about the second week of exams. A form a day is being run off the press and page proof is now being read. The manager and the associate editors are working hard to get the book ready for the publisher. The Kaldron contains plenty of snapshots of various school activities and campus highlights.

On the same day, at 10:00 A. M., the Seniors will deliver their farewell addresses to the buildings in accordance with the custom fixed by preceding classes.

Virgil Chilcote will address Ford Memorial Chapel and Robert Leeper will speak to the Reis Library. HIXSON MEMORIAL NUMBER OF BULLETIN PUBLISHED

BOOKLET REVIEWS LIFE WORK
AND FUNERAL RITES OF
LATE PRESIDENT

The delayed Memorial Number of the "College Bulletin," which is now ready for distribution, is a record of the life and work of the late president of Allegheny College, Fred Whitlo Hixson.

The Bulletin contains three pictures of the late executive: one, as a boy; another, which was taken while he was president of the University of Chattanooga; and the third, his latest photograph. There is a concise but complete biography, prepared by Dr. S. S. Swartley, which is a comprehensive view of Dr. Hixson's fruitful life. It gives an insight into his personality, his character, and his work, that could not be gained during a so active and progressive life as was President Hixson's. The biography also reviews his connection with Allegheny from the day of his inauguration as president on November 11, 1920. Under his administration the College made rapid strides and flourished as a new being with ever increasing vitality.

Following this review there are accounts of the funeral services, the College Memorial Service, and the resolutions drawn up by the many organizations of which he was a member or with which he was associated as president of Allegheny. In addition to these resolutions there are others representative of various groups. These include the Alumni Associations of A. Culbertson, one by Miss Ida M. Tarbell representing the alumni, the students, the several Conferences with which he was associated, the University of Chattanooga and DePauw University, and one by a college classmate. The telegrams, personal and informal tributes and letters are treated by Dr. J. R. Shultz.

The baccalaureate sermon preached on June 15, 1924, which attracted much attention at the time of its delivery, gives a glimpse of the vision and spirituality of Doctor Hixson.

This number of the Bulletin was edited by Dr. S. S. Swartley.

PUBLICATIONS BOARD TO SELECT MANAGERS AND KALDRON EDITOR FRIDAY

The Publications Board will meet in Alden Hall Friday afternoon, May 29, to transact some of the most important business of the year. At this time the editor of the Kaldron for 1925 will be chosen. The general manager of publications, along with the business managers of the Campus, Kaldron, and Literary Monthly, will also be appointed.

Dr. William A. Elliott delivered an address at the Meadville District Conference of the Methodist Church which was held at Espyville, Pa., on Tuesday afternoon, May 19.

Men and Women's Glee Clubs Sing in Erie Church Sunday

On Sunday evening, May 24, 1925, the combined glee clubs of the College sang in the First M. E. Church of Erie, as a part of the choir of the First M. E. Church of Meadville. The students and the choir of the Meadville Church made the trip in automobiles, arriving in Erie about 5:30 p. m. The group, consisting of about seventy-five people, dined at 6:00 p. m., and then took part in the evening services of the Erie church. The organist of the Meadville M. E. Church accompanied the singers on the organ, while Miss Gladys Schade, of Meadville, was the pianist.

Dr. H. H. Hough, of the First M. E. Church of Meadville, delivered the sermon in the Erie church, while the pastor of the Erie church preached at the Meadville services. The choir of the Erie M. E. Church rendered the evening music in the church at Meadville.

Hugh Bell, ex-'21, of Willoughby, O., is making a tour of the United States National Parks in behalf of the Cleveland Plain Dealer. In addition to stories in the daily issues he will have charge of the pictures in the Sunday Rotogravure.

Alligator Staff to Distribute Moving-up Day Number June 1

Every effort is being made to give the "Moving Up" number of the Alligator to the students on June 1. Owing to the fact that a thirty-two page issue is being printed, instead of a twenty-four page, there may be a delay of two or three days.

This second number of the Alligator will show several decided improvements over the opening number, in addition to the extra number of pages. The cover sketch which is black silhouette upon a pale rose background, shows a finished, artistic touch, and has a collegiate atmosphere about it. The "Moving Up" number is dedicated to Stephen Leacock, internationally famous humorist. Mr. Leacock has kindly sent us an article for publication.

An unusually large amount of art work has been contributed to this issue, almost twice the number of sketches as in the last, and the art work has also improved very perceptibly.

J. N. Clark, '72, of Hastings, Neb., was a visitor at the College during the past week. This was his first visit to Meadville in fifty years. Mr. Clark is the brother-in-law of W. E. Reis, '69, donor of the Reis Library.

MOVING-UP DAY EXERCISES SCHEDULED FOR NEXT MONDAY

ALL BUT FRESHMAN SPEAKER
APPOINTED—SOPHS OPPOSE
FROSH IN BALL GAME

The traditional Moving-Up Day exercises will take place in Ford Chapel next Monday morning, June 1. The freshman speaker who will beg the seats of the sophomores has not yet been chosen. Reuben Cain, of the sophomores, will answer the freshman's plea and Alvin Jones, of the sophomores, will plead for the seats of the juniors. Charles Severn will reply to Jones' plea while Arthur Bartlett will make the junior's request to the seniors. Ralph Demmler, of the seniors, will answer the junior speaker.

Immediately after the completion of the exercises in the Chapel, the sophomore and freshman baseball teams will engage in the third and last struggle between the two classes for this year. The first was the water battle last fall which resulted in a victory for the second year men.

The freshmen came back, however, in mid-winter and, for the second time in the history of the College, defeated the Sophs in debate. As a result, the winner of the baseball game will break the tie now existing and will carry off the honors for the year. Both classes have an abundance of good material and an interesting contest is expected.

COMMENCEMENT PROGRAM INCLUDES TWO MINISTERS

PROMINENT DETROIT MEN TO
SPEAK DURING GRADUATION
EXERCISES

In preparing for the annual Commencement festivities, the administration felt the necessity of bringing to Allegheny as speakers on the program, only men who have won names for themselves in both religious and educational fields. Rev. Merton S. Rice, D. D., who is to deliver the Commencement Address before the graduating class and their friends Monday morning, June 15, and Rev. S. S. Marquis, D. D., who is to conduct the Vesper Services Sunday afternoon, June 14, both come up to the requirements in every particular.

Doctor Rice, a native of Ottawa, Kansas, was ordained to the Methodist Ministry in 1894. He graduated from Baker University with a B. S. degree in 1892 and received his M. S. from the same institution in 1896. He spent the years 1893-94 as a law student at the University of Michigan and was given his D. D. degree by the Upper Iowa University in 1901. During the war Doctor Rice spent two years abroad as a special representative of the International Young Men's Christian Association. Baker University granted him his LL. D. in 1920, and he is now located in Detroit, Michigan, as pastor of the Metropolitan Church in that city. Doctor Rice was recently nominated to the bishopric in the Methodist Church, but he declined the nomination.

Reverend Marquis, who was born in Sharon, Ohio, was graduated from Allegheny College with honors and an A. B. degree with the class of 1890. The same college bestowed him with a D. D. in 1905. He has held several pastorates in Massachusetts and other New England states, from where he went to Detroit, Mich., as head of the Sociology Department of the Ford Motor Company. Since 1921 Doctor Marquis has been Rector of St. Joseph's Church of Detroit.

BOTANISTS TAKE HIKE TO PYMATUNING SWAMP

Last Saturday morning, May 23, a group of seventeen faculty members and students set out for Pymatuning Swamp under the leadership of Dr. C. A. Darling. For several years the students in botany have made this annual pilgrimage with the hope of securing specimens to add them in their work.

Aside from the idea of study, the hike in itself was a great lark for many. In fact, a history of the trip in ballad form was composed on the journey home.

A daughter, Mary Boyd, was born to Mr. and Mrs. Roy A. Spencer, of Erie, Pa., on April 24. Mrs. Spencer will be remembered as Miss Helen Kult, '17.

DR. WOODRING SPEAKS ON INTERESTS IN LIFE

MEN'S AND WOMEN'S BIBLE
CLASSES COMBINE FOR LAST
MEETING OF YEAR

At the last meeting of the Men's and Women's Bible classes for this semester, a combined service for the two classes was held in Ford Memorial Chapel last Sunday morning. Dr. W. F. Woodring was the leader, speaking on the value of the principal interest in life.

Dr. Woodring began his message by saying that since this is the end of the school year, every student should begin to inspect and take an inventory of his mind, body, and soul to see whether there are any lapses or any improvements in his life, and to see what progress he has made this year. There are five principal interests that should be the values under which we organize our lives: wealth, health, beauty, knowledge, and righteousness.

In talking of wealth, Doctor Woodring said that college is not a place to make money, but it should be a place where economy should be practiced. Thus a sense of value for things that are bought becomes more worth while, and makes the money that is spent act as an asset to our education. In speaking of health, he said that the physical well-being reacts upon the mental stability, and that a close harmony should be maintained between the body and soul by making one react upon the other in equal measure. As for beauty, Doctor Woodring expressed his hope that the students have gained in realm of beauty, so that they are better able to recognize the beauty in nature, friendship, music, and service. As to knowledge, that information and knowledge go together and that these two formulate or approach the capacity to figure things out. It was the last one, righteousness, that Doctor Woodring stressed, saying that this one expresses the highest perfection of all powers of human being inasmuch as we accept God in wisdom, benevolence, love, goodwill, and service, which is the test of all righteousness.

COLLEGE BAND TO PLAY IN CHAPEL TOMORROW

TO GO TO TEEPLEVILLE TONIGHT
—TO GIVE CONCERT AT
COMMENCEMENT

This evening at seven o'clock, the College Band, under the direction of Prof. B. J. Hovde, will leave from the gymnasium in automobiles for Teepleville, where they will play before a community gathering. The Band will play at 8:00 P. M., after which they will be the guests at a banquet.

Tomorrow morning, in place of the regular chapel exercises, the band will present a concert in Ford Memorial Chapel. The program contains several new numbers, among which are numbers by Sousa and other well known composers. This concert promises to be the best of the year due to the fact that the band has been practicing diligently under the leadership of Professor Hovde. Plans are being made for an energetic resumption of band work next fall with the opening of school.

The program to be presented tomorrow in chapel is as follows:

March, "Manhattan Beat".....Sousa
Overture, "Home Circle".....Schepereger
March, "Connecticut".....Wm. Nassau
Waltz, "Chiribiribin".....A. Pestalozza
March, "On the Square".....F. A. Panella
The band is also planning to play on Saturday evening, June 13, 1925, during the illumination of the campus.

STUDENTS HEAR TALK ON SUMMER TRAINING CAMPS AT CHAPEL SERVICE

Colonel Burgess, of the Third Army Corps Area, Citizens' Military Training Camps, spoke on the value of these camps at the chapel exercises Saturday morning, May 23.

He explained the purpose of the camps, dwelling at length on the wholesome democratic spirit fostered by them. This section of the country is in the Third Corps Area, with a camp at Camp Meade, Maryland. It is open to all men between the ages of seventeen and twenty-four who desire military training for one month during the summer.

A FULL-TIME PAID ALUMNI SECRETARY

There is much agitation at present to secure a full-time paid alumni secretary of the College. The Campus takes a decided stand in favor of this plan. The leading educational institutions of the country employ paid alumni secretaries, whose salaries are as high as twenty-five thousand dollars a year. The value of the alumnus to his college is being recognized, and the secretary, whose sole business it is to keep all graduates interested in their alma mater, is rapidly attaining a position comparable with that of the president and the graduate manager of athletics.

Allegheny has her graduate manager, and the great good that our teams have done for the College in the past few years has amply justified the creation of such an office. The alumni secretary covers even a broader field. He deals with all the alumni, not only those who are interested in athletics. His work can finance building programs, create endowments, and interest and keep interested alumni associations.

A paid alumni secretary will also have a tremendous influence on the undergraduates. He can interpret to them the attitude of the alumni body and, with his knowledge of the graduates as a basis, advise the students as to plans and preparations for their life work.

To make our Allegheny family, from the oldest graduate to the youngest freshman, a close homogeneous business organization, which will be a source of pride to the alumnus and of untold benefit to the undergraduate, the unfledged alumnus, a full-time paid alumni secretary is necessary.

THE EXAMINATION DEBACLE

As the time for examinations rolls around, the editorial column of The Campus is perused, by the students who can read it, for the usual supposedly humorous reflections upon this collection of the professors' brain-children. We see but little of humor in the situation, even though the instructors are alleged to have a lot of demoniac fun and satanic glee by watching the rapid change from a hurried and frenzied preparation to a hesitant and cautious filling of a blue book.

As we see it, the professors aren't chuckling so much; they have plenty of other things to worry about. But there are certain students who have a decided laugh on their fellows. First of all, there are those seniors who have been excused from all exams because of a good past record. This is the leisure class, the nobility. Then there are those who have kept informed as to what their courses are about, who have their work up-to-date and notebooks completed. These are the bourgeois; they have little to worry about, although they do affect a worried and care-worn air.

That completes the list of examination humorists. They who cry out against the cruelty of all examinations and all professors are the proletariat; they who have drifted along with D's and E's and who are just beginning to realize that they are in college.

A week remains before examinations begin. There is yet time to rise from the lowest rank and to prepare to meet the blue book army on the gymnasium battle ground on something approaching even terms.

THE TRACK TEAM

Throughout the season the track team has been making a record for itself and by itself. The support of the student body has been deplorable. The team is exceptional but its ability is due to the coach and the members of the team. There has been no encouragement or support from the students; the team has been left to win alone.

To be sure, a track meet has none of the spectacular to be found in a football or basketball game. It is not a machine sport, but a pitting of individual against individual. Then, as a major sport at Allegheny, track deserves more support than it is receiving.

The team meets Alfred in a home contest this Friday. An Allegheny victory on that day will mean an undefeated season, a rare event in recent years. By attending the meet you support the team, help the College, and repay the athletes for their long hours of practice. Be there.

Walter M. Small, '11, is chief geologist of Campana Petrolera del Agave, S. A., Apartado 76, Tampico, Mexico. Mr. Small is a member of the American Association of Petroleum Geologists and of the American Institute of Mining and Metallurgical Engineers.

Musical manuscripts of great value were found in one of the old library files at Cambridge.

The University of Colorado, at an approximate cost of one million dollars, is constructing a lake four miles east of the University.

The University of Alabama students will compete in a five mile walking contest. A pair of shoes will go to the winner.

Good looking men are not always the luckiest. The man at Georgia Tech who is elected the ugliest on the campus will win for his fraternity a silver loving cup.

The University of California has a debating club composed of both women and men. One of the questions which will soon be debated is "Resolved, That a woman should pay half of the expenses of a date with a man."

Y. M. C. A. UNABLE TO FINISH LECTURE COURSE

ILLNESS OF BRYAN FORCES HIM
TO CANCEL TRIP TO
MEADVILLE

Because of ill health, William J. Bryan, noted statesman and lecturer, will not appear in Meadville this year to lecture to the students of Allegheny. Mr. Bryan delivered a lecture in Pittsburgh during the past week, and his health at that time was so poor that he was forced to remain seated throughout the entire lecture.

The officers of the Y. M. C. A. have searched diligently for a capable substitute so that the lecture course could be completed, but it is impossible to secure a speaker at this date. Hence, the lecture course conducted by the Y. M. C. A. is automatically completed for the present year.

Alumni

ROOMS FOR VISITING ALUMNI

The May meeting of the Directors of the Alumni Association gave careful thought to planning for the approaching Commencement. One of the items receiving special attention was that of providing lodgings for visitors. Mr. Charles W. Gill, '07, was delegated to look after this matter. Visitors may write in for reservations, or upon arrival on the Campus may consult Mr. Gill at the Registrar's office.

L. M. Hamilton, noted Civil War veteran, died at his home in Waco, Texas, on May 17. Mr. Hamilton was a student at Allegheny at the outbreak of the war. He was eighty-five years old. He was a member of the detachment which was guarding the White House on the night when President Lincoln was shot at Ford's Theatre. Mr. Hamilton was also one of the guards of honor over the body of the executive as it lay in state at the White House.

Mrs. Carolyn Carman Willson died in her home in Meadville on Sunday, May 10. The funeral services were held Tuesday, May 12. Mrs. Willson is survived by two daughters, Mrs. Arthur Cullom, '11, of Cleveland, and Mrs. Ben Belsel, also a former student at Allegheny. Ben Belsel, '14, with his wife, were here for the funeral.

Mrs. Israel Tickstun of Crossingville, Pa., donor of the Hattie May Tickstun Fund of the College Library, died at her home on Monday, May 11. Funeral services were held at the home on Wednesday, and interment was made at the family lot at Edinboro. A daughter, Mrs. Harrison Elsworth, ex-'03, survives her. Mrs. Tickstun was nearly eighty-five years old. She was well known in Meadville, where she had visited several times.

Mr. Peach, of the Methodist Board of Missions, and a worker in Maylasia, held conferences last Tuesday with the girls at Hulings Hall. Mr. Peach was here to recruit workers for the Maylasian field.

Miss Maud A. Pratt, '10, who has been teaching in Cleveland for a number of years, has been given a year's leave of absence in order to be with her parents in Reynoldsville, Pa. Miss Pratt will teach in the English Department of the Reynoldsville High School next year.

Louis A. Pappenhagen, '15, is at present an instructor in Chemistry at Ohio Wesleyan University. He will receive his doctorate in Chemistry at Ohio State University in June. He intends to fill the position as head of the Chemistry Department at Mt. Union College next fall.

Mr. and Mrs. John R. Corley announce the engagement of their daughter Frances, to Donald G. Dunbar, '15, of Tulsa, Okla. The marriage will take place at Mexia, Texas, on May 28.

Miss Margaret Peters, a teacher in the Meadville High School, was hostess to the Alumni Club of Alpha Gamma Delta on Wednesday evening, May 20, at her home in Saegertown, Pa.

Mrs. E. W. Robinson (Blanche Bascom, '07) spent the past winter in Austin, Texas, with her sister, Eva Bascom, '94, who was until recently head of the Library School of the University of Texas. Mrs. Robinson gave lectures at the exhibition of the Federation Art Exhibit. She was appointed a delegate from the Austin Art League to the National Art Convention which was held in Cleveland recently. Miss Bascom's department in the university was one of those ordered discontinued by Mrs. Ferguson, governor of Texas, on the plea for economy.

The engagement of Miss Freida Hershey to James O. Russell, '21, was announced in New York on Saturday, May 16. Miss Hershey is a graduate of Indiana University, and is now attending Columbia University where she will receive her M. A. degree this spring.

GOLD AND BLUE NETMEN MAKE FOUR-DAY TRIP

TENNIS TEAM ON SOUTHERN
JAUNT—GROVE CITY HERE
TUESDAY

Returning tomorrow from a four-day trip, during which Duquesne, Pitt, W. & J. and Westminster were met, the Allegheny tennis team will rest until Tuesday, when Grove City plays a return match on the local courts. McClurg, Hough, Bair, Miller, and Behrhorst are making the trip. Captain Piper was unable to accompany the team. The team played at Duquesne and Pitt on Monday and Tuesday respectively, and will finish their trip with matches at W. & J. today, and at Westminster tomorrow.

To date the team has been defeated three times by 4-2 decisions, and hopes to wind up the season with at least an even break in the remaining games. The Grove City racquetmen, who won from Allegheny by taking the doubles matches, will be here on June 2 for the return match, and the Blue and Gold netmen will be primed to even the score with their Crimson rivals.

Missionary Worker Describes Condition of Mountaineers

Miss Swartz, field secretary of the Women's Home Missionary Society of the Baptist Christian Church, spoke in Chapel last Friday morning, May 22.

Miss Swartz, who is just recently returned from the mountains of Kentucky, told of the millions of magnificent characters of sterling honest and keen witted talent there. These people are illiterate but it is only because the opportunity of education has not been brought to them.

The speaker made a plea for leaders to carry Christianity and education to these people, who are so ignorant that they believe that the soul does not leave the body until the latter has been consumed by fire, as a result of which all their corpses are burned. When educated, however, these people make great leaders even out of their own communities, as is testified by their representatives in Congress.

The small group of workers among them is making wonderful progress, but leaders from the colleges and universities are needed to carry the work on.

WOMEN'S ALLEGHENY CLUB OF PITTSBURGH ELECTS NEW OFFICERS

ALUMNUS DIRECTS LAFAYETTE COLLEGE PLAY TO BE GIVEN IN NEW YORK

Dr. Raymond Crawford, '06, head of the Latin Department of Lafayette College, is the director of the play, "The Brothers Menaechmus," which is to be presented at the Provincetown Theatre, New York City, for one week commencing June 8. The play is the 1925 offering of the Latin Players of Lafayette, and it is said to be the greatest success in the history of dramatics at the College.

The play has been presented six times in Easton, and it has received unusual praise relative to the merit of the play itself and the able interpretation of the members of the cast. "The Brothers Menaechmi" is Doctor Crawford's modernized version of the "Menaechmi" by Plautus.

The success of the play, and the proposed extended run in the Metropolitan theatre, is due greatly to the efforts of Doctor Crawford. The greater part of the advertising was done by the distribution of several hundred clever cards which were painted by Mrs. Crawford.

**COLLEGE LIBRARY ADDS
SEVERAL NEW VOLUMES**

BOOKS OF FOREIGN LITERATURE RECEIVED AND OTHER INTERESTING VOLUMES ADDED

Among the new books that have been added to the College Library this month are two very interesting sets of foreign literature; one set deals with Scandinavian literature from the eighteenth to the twentieth century, and the other is a Spanish work in the original. Thirty-eight volumes of periodicals also were bound and now are ready for use.

Five volumes of the series of "Scandinavian Classics" were purchased through the Lucy Prindle Foote Fund. The series is published by The American-Scandinavian Foundation in the belief that greater familiarity with the chief literary monuments of the North will help Americans to a better understanding of Scandinavians, and thus serve to stimulate their sympathetic co-operation to good ends.

Nine volumes of the series of "Spanish Classics" were purchased out of the special appropriation fund. This series, edited by Prof. Santiago Gutierrez of Ohio State University, contains the best of Spanish literature in the original.

Another recent addition is "John A. Brashear, An Autobiography." It is interesting to note that the foreword of this volume was written by Edna A. Yost, '13. The book is published by The American Society of Mechanical Engineers of New York. Mr. Brashear was a great figure in the scientific world, and he was known as "the grand old man of the stars" in recognition of his work in the development of telescopic lenses. Another interesting note may be made here. The nine-inch telescope in the Observatory is equipped with "Brashear Lenses."

"Fairbairn's Crests," edited by Joseph MacLaren, gives an account of the leading families of Great Britain and Ireland, and the crest which symbolizes each family's greatness. The volume contains one hundred and thirty-seven plates showing hundreds of crests. An erroneous idea, according to the compiler, is held by some that heraldic symbols denote an aristocracy or exclusive class, and are undemocratic in their origin and permanency. On the contrary these badges of distinction were the reward of personal merit and could be secured by the humblest as well as the highest. They are today the testimonials and warrants of bravery and meritorious deeds of our ancestors.

Richard B. Kahle, '13, and Mrs. Kahle (Ruth Dodd, '14), are now located at Shreveport, Louisiana, where Mr. Kahle is president of the Louisiana Oil Refining Corporation.

MUSE AND PIPER NEXT HIGH SLUGGERS—PARNELL TOPS PITCHERS

Lundgren, Phi Delta infielder, is leading the batters of the inter-fraternity baseball league with an average of .600. He is closely followed by Muse, infielder for the Chi Rho, with .591, and Piper, Phi Delta twirler, with .571. These three men have consistently garnered hits from every pitcher opposing them so far this season.

The winning Chi Rho outfit, with nine men on the list, has more .250 batters than any other team in the league. The Phi Gams have eight .250 sluggers and the S. A. E. seven.

The Chi Rho team also has the edge in pitching records, Parnell, their star pitcher ace, being accredited with five victories and no defeats. One of these victories was a no-hit game. Devereaux, of the Delta nine, and Allen, Phi Alpha Kappa twirler, are tied for second place with two victories and no defeats.

The pitchers' record and the batting averages of all .50 hitters in the league follow:
