May 21, 1935

My dear Mr. Graham:

I have been out of town since Friday or you would have a more prompt reply to your letter of May seventeenth suggesting that I come in Wednesday of this week at three o'clock for a talk on the subject of Social Security.

Thank you for your kindness in giving me the opportunity I asked. You may count on me at three o'clock.

Very truly yours

Mr. William J. Graham
