Dear Miss Tarbell

I am going to ask you to grant me another favor. I hope you will grant my request as it mean a great deal to me. I have been notified to appear for examination on August 11th for the position of Probation Office. I am studying very hard to pass this examination. If I am fortunate enough to get on the list for appointment I am going to ask you for a letter of introduction to Judge McAteer who has been appointed Chief Magistrate. I will not bother you unless I feel I have some chance for appointment. Mr. Phillips has loaned me sixty five dollars on a note that is due on Octobe

7th The one hundred dollars you loaned me last fall make a total of one hundred and sixty five dollars I have borrowed. I offered to surrender my interest to Mr Phillips when he loaned me the sixty five dollars for another hundred dollars making a total of two hundred and sixty five dollars for three shares of preferred and ½ of a share of common stock for which I paid three hundred dollars. In order for me to make a decent appearance at this examination it will be neccessary for me to get a suit of clothes a pair of shoes and a hat. I wonder if you and Mr Phillips could not arange in some way to let me have one hundred dollars. I will consider the stock sold and also that a great favor has been done for me. Realize Miss Tarbell that I have annoyed both you and Mr Phillips but I did not do so because I wanted to. Even if I am not fortunate enough to be appointed Probation Officer I know it will help me to obtain some other position. The position I now have will not last longer than Sept. 1st. I dont know whether I ever will be in a position to repay you and Mr Phillips for all you have done for me. I will assure you it will not be forgotten.

Faithfully Yours
