Tuesday

My dear Miss Tarbell

I called on you
Saturday afternoon because I was
lonesome & because I care for you
so much. I did not know until
yesterday that your birthday had
just passed or I would have written
you. I will wait & see you
when you return. Thank you very
much for your note & kind invitation.

I am glad to hear from Miss
Cather that you are well. I was
afraid the new hard piece of work
without proper vacation would harm
you.

Yours as of old

Wm. C. Chure
