

February 29, 1928.

My dear Mr. Graeve,

I am enclosing the Article on
"Troubled Questions about Prohibition". I am
afraid it is a little over three thousand words,
which I believe was the length set.

I shall be in New York Friday morning
and if you want the paper cut or modified in any
way I will do it at once. You can get me by
telephone "Algonquin" 6674.

I hope I have got the paper somewhere
near what you wanted. At least I have put down
frankly the way I feel about it.

Very sincerely yours,

Mr. Oscar Graeve,
The Delineator,
Butterick Building,
New York.
