

MRS. ENOCH RAUH
5837 BARTLETT STREET
PITTSBURGH, PENNSYLVANIA

Dear Miss Wolfe:

My sincere gratitude
for your gracious note of the
thirtieth! I am delighted to
know that Miss Tarbell is
enjoying a bit of relaxation
and rest, and I trust, with
all my heart, that she will
return to her work greatly
strengthened. Within a few
days I am sending you Miss
Tarbell's photograph - also the
"Autobiography" from the
Greenwood Shop. The "Autobi-
ography" is a new volume, as
yours has been read by mem-
bers of my dear family and by

me, and has become slightly
soiled. Again thanking you
for your cordial co-operation
and great kindness,
I am —

Very sincerely —
Bertha F. Paul.
