Dear Mrs. Blair:

I am desperately sorry that there has been such a delay about the Lincoln letter.

I am not an authority on handwriting. I should say off hand that this was Lincoln's signature, but I would prefer submitting it to one recognized in such a matter - and that I am doing today. I hope I will have a speedy answer for you.

Just and added word - if there are any more Lincoln references in these Nelson papers, will you not call my attention to them?

Affectionately

Mrs. Janet M. Blair
