Miss Ida M. Tarbell,
120 E. 19th St.,
New York, N.Y.

Dear Miss Tarbell,

I was certainly glad to receive your letter, and to hear what you thought of my performance at the Winter Garden. Only someone like yourself that has had the experience of talking to a Chautauqua audience could realize what I was up against and what I accomplished with the six minutes allotted me to put over your sketch. It is of course the best thing in the show, and I think just long enough to help and not hurt it for play.

Mrs. Sale and I would love to have a visit with you as soon as you can spare the time. Call us up any time.

Sincerely,

Eric Sale
