Dear Miss Tarbell:

On May 2 Mother and Father will celebrate their Golden Wedding, and they are coming home from Mexico to observe that anniversary here in Raleigh. My brothers and I are sending you an invitation to be present on that occasion, but I am writing you this letter because I know nothing could add to their happiness on this important day in their lives so much as letters of felicitation from valued friends. If you feel like writing such a letter, I would appreciate it if you would send it to them here in Raleigh.

With best wishes always,

Sincerely,

Jonathan Daniels
