Carpenter's speed
 I do not hesitate to
 pronounce Mr L's speed
 at C. D. in spring of 1840
 the very best political
 address to which I
 have ever listened - I
 have heard some of
 Webster's grandest
 H. Greeley

C called L. a
 "rival"

In connection with
 call for removal of
 Faneuil Hall
 in Boston.
 "G on L."
 G. refused entry of
 Congressional delegates
 in short session 2
 was unpopular -
 says L did not
 join action at all
 against him though
 like delegates opposed
 in 1840
