

York Village, N. Y.

30 March 1916.

My dear Mrs. Tarbell

The enclosed

card sent to me

reaches me fear

that you did not

receive my note

written ten days

ago from N. Y. Village

you that I had never
expectedly been called
up here & could not
keep my engagements
to address the Pen
and Brush Club.

I am very sorry.
I wrote you in the
P. & B. Club for
the Century.
Faithfully, Robert Thorne
