Dear Miss Tarbell:

Little Brown are bringing out in February a book by Otto Eisenschiml, "Why Was Lincoln Murdered," which has a new theory, ingeniously worked out, I am told, with considerable documentation of a plot involving a great many of Lincoln's friends and acquaintances.

Will you review the book for us? I'd like to get a real historian's opinion on it. We should have copy by February 17th and I can send you the book shortly. I hope I may.

Sincerely,

Irita Van Doren
