Miss Ida M Tarbell

Bethel, Connecticut

Dear Miss Tarbell:

In another week we will have completed a film of 3700 feet which includes about 1500 feet in addition to that which we exhibited for you when you were in Fort Pierce. The completed film includes several suggestions which were made by you and is so much improved over the picture we showed you that you would hardly recognize it.

I am expecting to be in Boston sometime early in June and would esteem it a privilege to put on a private exhibition in your home for the benefit of yourself and your friends. It would seem hardly nedessary for me to say that I have no mercenary object and that no effort would be made to interest you in an investment of any character.

I believe this film to be the finest thing of its kind that has ever been produced in Florida. We are proud of it, and I would esteem as an honor, the privilege of showing it to you. If it is agreeable to you, I will communicate with you upon my arrival in Boston and arrange for a definite date that will meet with your convenience.

With kindest personal regards and best wishes, I am

Sincerely yours,

J. P. Newell
