Dear Miss Tarbell -

I am greatly obliged  
to you for your letter! I've  
found such a mass of  
letters covering especially  
the Kuss Student period, & the  
whole many other material  
that a book's title has formed  
in my mind "My Life & Work".  
It is amazing what he got  
I found several boxes of letters  
etc. For example he got the  
contract for the ad. that Al Pepe

gave me for the History of Colleges  
journalism - that led me to the  
wheel man. In fact the letters  
& material I got give an almost  
complete picture of my last year  
in college & the wheel man. I've a  
letter from John Dune in Boston  
after I began to issue circulars  
about the wheel man in which  
he comments on me doing the  
same thing as I did when I  
was pulling up the History of  
College Journalism.

How is your sinus?

Faithfully yours
