MARRIAGE OF FIGARO OPENS COLLEGE CONCERTS TOMORROW

Cast of Stars to Appear in Mozart Opera at High School Auditorium

Coming as an operatic presentation never before equalled in a city of this size, "The Marriage of Figaro," which is to be offered as the first number of the College Concert Series, in the high school auditorium tomorrow evening, offers a rare treat to the music lovers of this vicinity.

Great expense has been involved in arranging for a program such as is being offered. Artists such as Pavel Ludikar, the well known bass-baritone who takes the part of Figaro, Celia Turrill as Cherubino, Clytie Hine as the Countess, Ralph Brainard as Don Basilio, Editha Fleischer as Suzanna, Alfredo Valentini as the Count, and Herman Gelhausen as Bartolo are figures in opera who will not appear without great recompense.

lord's page, who secretly entertains a boyish passion for his noble mistress, is found an apt though unconscious assistant. The page, in disgrace for flirting with Barbarina, a youthful cousin of Suzanna, comes to the latter to secure the intercession of the Countess. During their interview the Count presents himself and Cherubino hides behind an armchair. The Count, ignorant that he is overheard, presses his suit to Suzanna, but is interrupted by the arrival of Basilio, and unwilling to be found alone with Suzanna, seeks the same place of concealment as his page, who slips around and crouches into the seat, where Suzanna covers him with a dress of his mistress. Basilio enters, and plying Suzanna on behalf of his master, alludes to Cherubino's admiration of the Countess.

Mr. Ludikar is a singer of distinctive artistry, having a most winning personality and a wonderful gift of execution. He has been received with wide acclaim in the music centers of the world and is especially adapted to the part given him in this production. The Misses Turrill and Hine are only typical of the other artists, each being the possessor of a remarkable voice which they can use to perfection.

The Count bursts out in anger, answering the intercession, relates how he found Cherubino concealed in

STATE LIBRARY BODY MEETS AT CAMBRIDGE

MANY DELEGATES VISIT COLLEGE DURING TIME OF ANNUAL CONVENTION

The Pennsylvania State Library Association held its annual convention October 22 to 24 at Cambridge Springs with headquarters at the Riverside and Bartlett hotels. More than 150 librarians were present at the meetings. As a part of the combination of recreation and study that was planned for the afternoons, a number of the librarians came to Meadville to see the College and to visit the Reis Library.

Among the visitors was Miss Margaret Widener, the poet, who was the speaker at the last session on Friday evening after the annual dinner of the convention. Another distinguished speaker was Henry Seditel Canby of New York City, editor of the "Saturday Review," who spoke on "Criticism in America." Dr. Canby was a classmate and friend of Dr. Schultz while they were students in Yale, and they renewed their friendship during this visit of Dr. Canby to Cambridge Springs.

PROFESSOR A. S. EMIG ADDRESSES Y. M. C. A.

GENERAL OPEN FORUM DISCUSSION OF "PROBLEM SOLVING" FOLLOWS DISCOURSE

"Problem Solving" was the topic of Professor A. S. Emig who addressed the regular Y. M. C. A. meeting in the Y. room at Cochran Hall last Wednesday evening at seven o'clock. Frank Mason presided.

Professor Emig told how the world was crying out to its young people, the problem solvers of tomorrow. Some young people will respond, while others, seeing so much to do will be overwhelmed, and accordingly will do nothing. A person's world view largely determines how he will solve problems.

Negative solutions are not entirely satisfactory. Taking the prohibition problem as an example, we find that there is danger of the saloon's return because of the negative satisfaction of those who worked hard for prohibition, but when it became a law, lost interest in its enforcement. In this respect the Y. M. C. A. not only casts out evil by negative means, but it also does positive good by substituting good for evil. If you start to solve a problem by the wrong method you inevitably get a wrong answer. You must get the right start. Your attitude combined with character is the foundation upon which you start to solve problems. The Y. M. C. A. builds character and creates the proper attitude by its atmosphere.

In closing, Professor Emig declared that there would be no war, no race prejudice, and no strife between capital and labor if everyone should abide by the statements to be found in chapters 5, 6, and 7 of the Book of Matthew. Discussion of "Conflicting Loyalties" and "Problem Solving" followed the address.

Maids of Hulings Hall Have First Fire Drill of the Season

Tuesday morning, October 21, at 12:30 a. m., the freshman girls were initiated into another custom of Hulings Hall, when a fire drill was held. The halls were cleared quickly and without confusion. Fire Chief Anna Rightmire reported that the girls were all down stairs in six minutes, which is two minutes sooner than the record of the first drill held last year.

COLLEGE BAND PLANS TRIP TO GROVE CITY

PROFESSOR B. J. HOVDE ASSUMES LEADERSHIP OF MUSICIANS. NEW UNIFORMS SOON

The College Band has for a new leader, Professor B. J. Hovde. This change places the organization entirely within the College and makes it wholly a college activity.

Preparations are being made to take thirty-six men to Grove City for the game November 1. They will appear in their new uniforms of white duck trousers, sailor hats, and white sweaters with the monogram "A. C." in blue.

Willison, a member of the Freshman class, has been appointed assistant leader. He is arranging all the college songs into a form suitable for band rendition. Lee Reynolds and Snyder on the drums and Cochran on the trumpet have reported for practice and are new members. An attempt is also being made to find a likely candidate for the position of drum major.

MEN'S GLEE CLUB BEGINS WORK FOR COMING SEASON

MEN HOLD FIRST REHEARSAL UNDER THE DIRECTION OF PROF. L. H. BARNES

Under the direction of Prof. Lee Hess Barnes, the Men's Glee Club held its first rehearsal in Ford Chapel last Wednesday evening, October 22, at 7:45.

Before starting the rehearsal Professor Barnes made a few remarks to the forty members who were present. He emphasized the necessity of co-operation between the leader and the club if a successful season is to be realized. He stated that he would do all in his power to make the season bigger and better, and only asked the men to do the same; he asked the men to be boosters and not knockers. In concluding, Professor Barnes asserted that the club would be a bigger success than ever if all would do their share to keep up the present enthusiasm.

Only three numbers were rehearsed. All were rendered very well for an initial attempt.

The members of the club are as follows:

- Parker, Brandon, Baker, Middaugh, McWilliams, Denison, E. Cossman, Culbertson, Feyner, Graf, Hintz, Smyth, A. B. Miller, Wilbur Miller, Merrell, C. Cossman, Tinsley, Morton, Bowman, Firden, Corbett, Hibbs, McDivitt, John Miller, Kuntz, Allen, P. Reynolds, Wicks, Chilcote, Anna, Pritchard, Berlin, Devereaux, Bartlett, Reynolds, Flint, Smucker, Service, Christner, Davenport, Helmstadter, Birchard, Taft, Behrhorst, Hartman, Lee, Leeper, Henry, James, McKay, W. Reed, and Rugg.

Allegheny Missionaries Go To All Parts of Globe to Preach

Allegheny is not only represented in the Far East as was indicated in the last issue of the Campus, but also in many other countries of the world. A supplementary list of Alleghenians in the mission fields has been compiled by Dr. Wm. H. Crawford.

Through an error the name of Charles Stanley Smith, '12, was omitted from the list of those working in the Far East. Following graduation Mr. Smith attended the Auburn Theological Seminary where he received a fellowship at Cambridge University, England. Rev. Mr. Smith after two years' work there left to join his comrades in the Far East, and took up his work teaching in the University at Nanking, China.

The list of Allegheny missionaries other than those in the Far East is as follows: Glenn R. Barr, '19, who was a teacher in La Academia de Norte Americana, Montevideo, Uruguay; Robert Allen Blaisdell, '18, who is now working full time in the boys' school at Ipoh, Federated Malay States; Theodore I. Bordwell, ex-'19, Y. M. C. A. secretary, San Paulo, Brazil; Mary H. Boyer, ex-'98, Pi Gang Hsien, China; Mabel A. Beatty, '08, Tzechow, Tzechow, Szechuan, China; Margaret H. Beebe, '10 (Mrs. F. S. Miles), Hwai Yuen, Anhwei, China (Mrs. Niles is teaching English in the school where

PRESIDENT F. W. HIXSON GRADUALLY IMPROVING

INTENSE PAIN SUBSIDING—PATIENT HAS BEEN REMOVED TO HOSPITAL

Suffering from arthritis after having his tonsils removed several weeks ago, President Fred W. Hixson was removed from his home to the City Hospital last week, where he is now slowly improving. Much of the great pain which he had been patiently enduring has subsided, although it will be some time before he can resume his active duties about the College.

Dr. Phillips, a Pittsburgh physician, was called in consultation with Dr. Gamble of this city. Together they diagnosed the President's illness as arthritis, probably resulting from poison in his blood which had accumulated previous to his recent operation.

ALLEGHENY BOOSTERS TO BANQUET SATURDAY

MERCER COUNTY ALUMNI WILL GIVE DINNER AT PENN GROVE HOTEL AFTER GAME

As a sequel to the Allegheny-Grove City football game, Saturday, November 1, the Mercer County Alumni Association will entertain all Alleghenians at a banquet at the Penn-Grove Hotel at Grove City. All Allegheny alumni, students, guests, friends, and boosters are invited to be there. Dr. C. A. Darling is to be the principal speaker of the occasion.

The dinner is scheduled to begin promptly at six o'clock and will be over by nine, in order that the return journey will not be delayed too long. Those who must leave before the speeches may do so.

For those who may be forced to return before six o'clock a general get-together has been arranged at the hotel from five to six.

The price for students is \$1.50 and for all others \$1.75. A reservation slip has been printed on the second page of this issue of The Campus.

"ADJUSTMENTS" IS TOPIC AT COLLEGE BIBLE CLASS

CLASS TO HAVE OPEN FORUM ON DISTRIBUTION OF TIME NEXT SUNDAY

Unusual interest was displayed at the weekly meeting of the College Men's Bible Class, which met in the Oratory of the Chapel at 9:30, Sunday morning. Dr. Darling, the teacher of the class, began the discussion with several pertinent questions regarding the student's adjustment to college life.

After some talk both pro and con, the class came to the general agreement that it is most difficult for the new student to adjust himself to college routine and that he misses most his home influence and his home friends. However, many of the members said that they were very favorably impressed with the spirit of comradeship prevalent at Allegheny.

Dr. Darling announced that the "Distribution of Time" would be the subject of discussion for next Sunday.

ALLEGHENY MAKES GAME FIGHT BUT LOSES TO BOSTON 13 TO 0

Blue and Gold Gets 10 First Downs to Opponents' 6. Breaks Favor Boston

Rather travel-worn and weary from their long trip from Meadville, the Allegheny gridders gave everything they had in Saturday's game at Braves Field, Boston, and succeeded in holding the strong Boston College eleven to a 13-0 score. Although outweighed almost 20 pounds to the man, Tom Davies' fighters outplayed their opponents during most of the game. The first-down score was 10 to 6 in favor of Allegheny.

ever, the referee declared the pass complete, and it was first down on Allegheny's one foot line.

In three plays the heavy Boston backs failed to gain an inch. Following the third play, the Boston team lined up with great speed, and without calling signals the quarterback grabbed the ball from the center and leaped over the line for a touchdown. Fuller blocked the try for point.

Both of Boston's touchdowns resulted from the breaks of the game. Unable to pierce the Allegheny line in the second quarter, Boston took to the air, and a forward pass followed by a brilliant end run gave them a first down on the Allegheny 11 yard line. Here Boston tried another pass which appeared, to almost everybody in Braves Field except the referee, to have touched the ground before being scooped up by the receiver. How-

Boston's second touchdown came in the last quarter. Judd's punt was blocked, Boston recovering on Allegheny's 21 yard line. Three plays failed to gain, but on the fourth a pass was completed for a touchdown.

Most of Boston's ground was gained in mass off-tackle drives, with Ward, Cronin, and Darling, three backs whose average weight is over 190 pounds, doing most of the driving. In time, however, the Allegheny defense began to stop even these giants, and then the Boston attack shifted to the air with a passing and kicking game.

CROSS COUNTRY TEAM HOLDS FINAL TRYOUTS

SEVEN MEN TO RUN AGAINST TECH—NEW TRACK SUITS ARRIVE

On Friday, October 24, after a week of strenuous practice, the cross country team held its final tryout run. First place was taken by Capt. Rea. The other runners finished in the following order: Jones, Bentley, Devereaux, Bogardus, and Babcock (tied for fifth place), and Tornatore. These men will represent Allegheny against Carnegie Tech on Saturday, November 1, at Pittsburgh. On Saturday, November 8, preceding the football game, the harriers will meet the Westminster cross country team, which recently defeated Thiel, taking the first five and the seventh places. On November 16, the team meets Pitt at Pittsburgh, tentative plans for the meet having just recently been completed.

Darling, the easterners' star full-back, is the greatest kicker an Allegheny team has run up against in recent years. To him goes the major share of the credit for Boston's victory. His punts were seldom less than 60 yards and often more. Time and again he would boot the oval back to the Allegheny goal line, from which point the Blue and Gold would have to begin their march up the field. Sometimes their drives carried well into enemy territory, but always they tired eventually, and when Boston got the ball, Darling, with a powerful boot, would start the whole procedure over again.

In spite of Darling's great kicking the score might have been different had Allegheny shown the same alertness to take advantage of the breaks that Boston did. In the first quarter a Boston back fumbled and Parnell, with a clear field in front of him, was so anxious to pick up the ball that he

College Library Acquires New Volumes on Various Subjects

The Allegheny College Library has recently acquired a number of books of interest and value. Probably most notable among these is the set of forty-one volumes of Romance Literature which was purchased in Paris and shipped here from that city. In addition to these there are numerous volumes on art, religion, history, education, and the World War.

The books, now being arranged and catalogued, will be placed on display in the library in the near future.

NUMBERS FROM FIGARO FEATURED AT CHAPEL

LOCAL ARTISTS PRESENT OVERTURE AND SONGS FROM MOZART OPERA

"The Marriage of Figaro" was the basis for a short, pleasing musical recital given in Ford Chapel last Friday, October 24, as a substitute for the regular chapel service, by Mrs. H. W. Church and Mrs. Carl Fahr accompanied by Prof. H. W. Church. The initial part of the program was given over to a lecture on the operas of Mozart. Professor Church opened his remarks by illustrating the importance of Mozart in the field of opera. Of all the great contributions in this field by Mozart, the "Marriage of Figaro" is probably the most important.

DEBATING TEAMS ACCEPT ARBITRATION QUESTION

FIVE COLLEGES AGREE TO QUESTION—TRYOUTS TAKE PLACE IN NOVEMBER

Unable to wait any longer for the question which was to be proposed by Delta Sigma Rho, national debating fraternity, the association of colleges whom Allegheny will possibly debate has decided that the question for debate this year will be: "Resolved, That the United States ratify the protocol for the pacific settlement of international disputes."

This proposition will be used by Allegheny, Ohio Wesleyan, Wooster, Western Reserve, and Oberlin in the inter-collegiate debates of the approaching season.

As yet nothing definite has been arranged pertaining to the varsity tryouts here, but it is thought that they will take place during the latter part of November. The annual Freshman-Sophomore Debate will probably occur before that.

A concert of five numbers from the opera followed. Dr. Church played the overture which was followed by the love song of the Countess by Mrs. Fahr. While this was somewhat more subdued than the overture, it still had a very pleasing air. Mrs. Church then rendered a song given by Cherubino, the comic character of the opera. The next number was sung by Mrs. Fahr; it was the love song as sung by the character Suzanna. The last number was appreciated probably more than any other. It was the famous "Letter Duet" and was given by both Mrs. Fahr and Mrs. Church. Professor Church accompanied all the vocal numbers at the piano.

Dr. Church and his party presented similar recitals before the girls of Hulings Hall and the Meadville Art Association.

J. R. Vinton, ex-'24, died at his home in Clairton, Pa., October 16, 1924.

COME HOME FOR HOMECOMING DAY

Allegheny Alumni! Are you coming to Meadville Saturday, October 8, to help make the best Homecoming Day in the history of the College?

Alumni presidents and secretaries, organize your forces and bring your clubs en masse. Have your cars decorated so everyone will know where you are from and that you are headed for Meadville and Allegheny Homecoming Day.

Plan to come early and stay late. There will be a special chapel service. The college buildings will be open for your inspection. Come back and revive old memories.

All of you, Alumni, are invited to be the guests of the College at a buffet luncheon in Cochran Hall at one o'clock. The welcoming committee will be on hand to see that you are cared for. This will be a fine opportunity to meet your old classmates.

The football game will be a thriller. Allegheny will meet her old rival, Westminster. Westminster defeated Grove City 7-0 last Saturday; so this game will surely be a battle. There will be a stunt between halves that will be worth seeing. The college band is an attraction and will be on hand to do its part.

Plan to stay for the evening. There will be plenty of time to gather around fireplaces and recall reminiscences of your old college days.

Now! Mark November 8 in your date book, and start for a full day at the old College. If it is convenient, please let the alumni secretary know that you will be here for lunch.

A MYFORD MEMORIAL SCHOLARSHIP

In the death of Francis Myford last August, Allegheny lost a conspicuous representative of the type of athlete that reflects credit on the system of intercollegiate athletics. He was a man who combined in himself the virtues of the football hero and the reliable student. He was a gentleman of upright moral character. He was the sort of person of whom no college can have too many.

Would it not be a fitting tribute to his memory to set up a foundation to attract more men of his type to Allegheny? Could not a group of interested friends or alumni establish a Myford Memorial Fund the proceeds of which would be used to provide scholarships for athletes of good moral character who maintain high standing in their class work? Such a foundation would serve the double purpose of perpetuating the memory of one who endeared himself to all with whom he came in contact and of bringing to Allegheny many more men like him.

EN MASSE TO THE OPERA

Too much cannot be said in praise and recommendation of the opera, "The Marriage of Figaro," which will be given tomorrow evening at the High School Auditorium as the first number of the College Concert Series. Not only is this work of Mozart's one of the best of its kind, but the members of the cast that will present the opera are a famous group.

Allegheny and Meadville almost never have an opportunity to witness an operatic production of such high character, and he is a strange friend of culture who does not see the "Marriage of Figaro."

DINE AT THE PENN GROVE SATURDAY

The Mercer County Alumni Association, which is sponsoring the Allegheny dinner to be held at the Penn-Grove Hotel Saturday evening after the game is introducing what should become biennial custom. The Grove City game has been for thirty years THE BIG GAME of the season. At that game Allegheny spirit reaches its pinnacle. If there is any time to have a great rally of the Allegheny family, particularly of that portion of the family which is interested in athletics, that time is the Grove City game. The dinner that the Mercer County association is planning ought to be a success. There will probably be a migration of the whole student body to the football field of our ancient rivals. Alumni will come to the game from all parts of Western Pennsylvania and Ohio. Citizens of Meadville will forget their business to come and cheer the Blue and Gold to victory. With such a crowd of Allegheny boosters, there is no reason why there should not be several hundred at the dinner and rally, and, if the affair is successful this year, the College should extend a vote of thanks to the Mercer County alumni and tell them to do the same thing every time we play Grove City away from home.

Y.M.C.A. Cabinet Still Working on Collection of Pledges

Although the active campaign for members has closed, the College Y. M. C. A. is still working on its drive. To date less than fifty per cent of the men of the College have responded to the appeal of the organization for members. This is a rather disappointing number, in view of the encouraging results of the first few days of the campaign. However, a number of pledges have not yet been paid, which will increase the final enrollment considerably. Those who have not yet paid their dollar fee are urged to do so at the earliest possible time.

The Cabinet is delaying the issuing of the membership cards as long as possible in order to secure a complete list of members, but it is expected that the cards will be distributed some time this week.

SONG BOOKS STILL ON SALE—MAY BE OBTAINED AT REGISTRAR'S OFFICE

Sale of the second edition of the Allegheny College Song Book has been progressing with a good degree of success during the past week. However, a limited number of the books are still left.

Any one desiring the book should place his order at once. Copies can be obtained, while the present supply lasts, at the Registrar's office, or from Mr. Chase R. Gage at 277 Loomis Street.

KALDRON NOTICE

The Kaldron Board urges all students to have their individual pictures taken at either the Pratt or Wetherby Studios before November 1.

OBSERVATORY DEDICATED TO ALUMNUS OF LONG AGO

MT. UNION COLLEGE HONORS MEMORY OF GEORGE WASHINGTON CLARKE, '51

Mount Union College recently dedicated their new observatory to the memory of the late Professor George Washington Clarke, who was graduated from Allegheny in 1851 and who served Mount Union College for over forty-four years as a very faithful and loyal teacher. He died in Pittsburgh, January 5, 1907.

In a copy of the last alumni bulletin of Mount Union College, there is an account of the dedication of the observatory. This bulletin also contains a fragment of an address which Doctor Clarke delivered on the occasion of President Hartshorn's funeral. It was discovered by his grandson, Dr. O. C. Jones, '07, who is now pastor of the Furman Street Church, Syracuse, New York. This document is very precious in that it tells considerable about Allegheny and exactly how Dr. Clarke received his call to Mount Union College.

For a number of years the place where Dr. Clarke was born has been unknown and only recently was his birthplace disclosed. The information concerning Dr. Clarke was secured through the Ravenna Republican, and stated that Professor George Washington Clarke was born in a farm home located 1 1/4 miles east of Edinburg Center, Portage County, Ohio.

"MARRIAGE OF FIGARO"

(Continued from page 1)
Barbarina's cottage—illustrating the discovery, the Count lifts the dress from the chair and discloses Cherubino. This coup de theatre brings about the forgiveness of the page, whose overhearing of the Count is an awkward fact. Figaro meanwhile has appeared begging the Count to place the bridal wreath on Suzanna's head. Cherubino, though forgiven, is dispatched on military service.

Thus is laid the framework of the mesh of intrigue ending in the final discomfiture of the Count's scheme of fresh infidelity to his lady and treachery towards his faithful servant, through the assumption by the Countess of a disguise, in which she keeps a rendezvous made by Susanna, who subsequently dressed as the Countess, receives in the same trysting place the pretended declaration of Figaro's pretended advances to his mistress. The Count's indignation causes an explosion, revealing the double masquerade, and the real culprit in the whole affair has to sue for pardon from his injured Countess, which is granted. There is underplotting between Doctor Bartolo with Marcellina, his housekeeper, making the plot extremely complicated, but it is so admirably constructed that every event develops logically and falls into its proper place in the drama. Needless to say "All ends well and every one is happy."

"Figaro" is the most popular and most often performed of Mozart's operas, and it is also the most intelligently performed. It has seldom been heard in America outside of the Metropolitan Opera House in New York City.

Tickets can yet be obtained from Dr. Church or at the Office.

PRESIDENT HIXSON ELECTED TO RECEIVE THIRTY-THIRD DEGREE IN SCOTTISH RITE

At the triennial session of the Supreme Council of the Ancient Accepted Scottish Rite of Freemasonry for the Northern Jurisdiction of the United States, held in Boston, Mass., the third week in September, Dr. Fred W. Hixson was elected to receive the thirty-third and last degree at its next annual session to be held in Pittsburgh the third week in September, 1925.

The following Alleghenians already have that distinction: Dr. J. W. Miles, '74, Dr. John A. Bolard, '78, Bishop Charles Bayard Mitchell, '72, of the Philippine Islands, John S. Wallace, ex-'93, Justice Emory A. Walling, Erie, Dr. Edgar Fahs Smith, Philadelphia, Dr. J. J. Buchanan, Pittsburgh, and Bishop H. Lester Smith, '04, of Helena, Montana.

AMONG OUR CONTEMPORARIES

Abolition of fraternities and sororities was recently voted down by a great majority of the students of the University of Minnesota. This vote was the result of an editorial policy election of the Minnesota Daily.

Princeton has decided to film pictures of the most important activities of the year. These films will be kept as reference which can be used in the future.

The debating team of Oxford University, now touring this country, met defeat at the hands of the debating team of the University of Michigan, October 8, at Ann Arbor.

OLD ALLEGHENY

ALDEN STRIVES FOR IDEALS AND STANDARDS IN SPITE OF OPPOSITION

With the graduation of a class of four members in 1826, actual teaching at Allegheny College ceased. The delay in completing Bentley Hall detracted from the reputation of the College and made it necessary to adopt radical means of attracting students. Some wished to convert it into an agricultural school. Other supporters, who also wished to see immediate material returns, suggested that half of Bentley Hall be used as a military academy. Timothy Alden believed that the establishment of a military school was strictly contrary to the purpose for which Allegheny College was founded. In 1828 the Trustees declared that they were without funds, professors, and students, and that in such circumstances they were unable to offer a regular course of collegiate studies. The Board of Trustees deemed it necessary to take drastic action, and overruling President Alden, they invited Captain Alden Partridge, formerly of West Point Academy, to come and consider their proposition.

A Scientific, Literary, and Military Academy was voted by the Board, and James McKay of Vermont was nominated superintendent, while Alden was to be a professor and chaplain. Before the military academy was established, a fortunate dispute arose. The Board believed that the school should have an enrollment of fifty, while McKay counted on only twenty-five, and furthermore he anticipated a deficit for the first year. He wanted the Trustees to share the loss equally with him, and as a guarantee he wished \$500. The Trustees offered only \$350, but this did not prove satisfactory to the superintendent who refused to accept his official position. By this act Alden still had living hopes for an institution with lofty ideals for pure scholarship and with a literary foundation as solid as that of any college in America.

CLASSICAL CLUB HOLDS FIRST MEETING OF YEAR

The Classical Club took in ten new members at the first meeting of the year, held last evening in the Classical seminar room of the Library. The following were received into membership: The Misses Bordwell, Davis, King, Swift, and Peoples, and the Messrs. Avey, Barber, Henrietta, A. A. Jones, and Moultrie.

The program consisted of the reading of selections from the Greek Anthology by several members of the Club. The Club also discussed the advisability of changing the time of meeting. Definite announcement concerning this will be made later.

OXFORD CLUB MEETS AT HOME OF DR. BEILER

Twenty-six members of the Thoburn Chapter of the Oxford Club attended the second regular meeting of the Club last Thursday evening, October 16, at the home of Dr. I. R. Beiler. Before the meeting a buffet dinner was served.

Robert Leeper presided over the meeting, and J. Wilson Lee had charge of the devotional exercises. "How a Ministerial Student Develops a Character for His Life Work" was the subject of discussion.

HISTORY AND POLITICAL SCIENCE CLUB INITIATES NEW MEMBERS

Fifteen new members were initiated into the History and Political Science Club yesterday evening in the Quill Club room of the library.

The faculty members who were initiated were Professors Hovde and A. B. Woodring. Others initiated at the same time were Dorothy Jelbart, Mina Lane, Florence Sheehan, Ellen Mary Reeve, Martha Schwartz, Arthur Dahl, Karl Riemer, A. QUICK RELIEF
 When you're late for the train,
 When you're caught in the rain,
 When your troubles are making you moan;
 When the whole world seems blue,
 When your friends leave you, too,
 Get a YELLOW CAB by 'phone.
 When you're out late at night,

Four Double-Barreled Reason Why You Should Buy Life Insurance

- FIRST:**
 (a) You have the advantage of the younger rate. The rate at age 20 is about one-half that of age 40. It does not increase after you have started.
 (b) Money without health cannot buy insurance. If health is yours now, capitalize it at once.
- SECOND:**
 (a) If you are not married, insurance will be absolutely necessary when you become a benedict.
 (b) You create an estate immediately with the first payment.
- THIRD:**
 (a) Insurance helps you to form the habit of saving, thus strengthening your character. Thrift makes for success.
 (b) Insurance will make you independent in old age when 11 out of 13 men have to live on charity.
- FOURTH:**
 (a) It is a conservative investment. Insurance Companies cannot speculate, and they are absolutely safe financial institutions.
 (b) Men in the higher walks of life favor it. Every member of the late President Harding's Cabinet has recently advised young men to insure while young.

All Legal Reserve Life Insurance Companies are good but none can surpass in strength and friendly service.

ALLEGHENY MEETS CRIMSON AT GROVE CITY SATURDAY

Grove City Record Not Impressive—Both Teams Pointing for Great Game

With the all-important Grove City game following close after the grueling battle at Boston, there is no rest for Coach Davies' Blue and Gold team this week. Monday the men settled down to intensive preparation for Saturday's game which will be played at Grove City, and nothing will be spared in an effort to hand the Crimson outfit a beating.

The Grove City battle is the high point on the Allegheny schedule. A victory at Grove City means more than does a win over any other team. Likewise, the Allegheny game is the big event of the season for the rival school. Grove City coaches invariably point their teams for Allegheny, and this year is no exception. The game Saturday will also be the occasion of the annual Homecoming Day at Grove City, a fact which will make Bowser's men more determined than ever to win from the Blue and Gold.

A great surprise was given the dopsters last week, when the Westminster eleven fought their way to a 7-0 victory over Grove City. The Crimson was favored to win by at least two touchdowns. In fact, they did outplay the New Wilmington team badly, scoring nineteen first downs to their opponents' one. Time and time again the Grove City backs carried the ball far into Westminster territory, only to be held there by a team which has

gained a reputation for its indomitable fighting spirit.

Grove City's record this year has been none too impressive. Out of five games, they have won only one. But there is no overconfidence in the Allegheny camp due to this fact. The Grovers will be at their best Saturday and fighting mad in the bargain. Anything may happen.

Pitt was held to a 14-0 score in the first game on the Grove City schedule. It was a loosely-played contest, with neither team playing true to form. Then came Grove City's only victory. Marietta, a team which triumphed over Thiel last week, was defeated 14-0. The Crimson machine worked well against the strong Ohio team. Bowser's eleven took on another high-class opponent the next week, in W. and J., and were on the short end of a 25-0 score when the game ended. The Crimson squad put up a strong fight against their class-A opponents, but were completely outplayed.

The game with Waynesburg ended 17-13, in favor of the Yellow-Jackets, after a nip-and-tuck struggle between two evenly matched teams. And to continue the string of disasters, the Westminster under-dog trampled the Crimson banner in the dust. A victory over Allegheny would atone for these defeats, however, in the estimation of Grove City supporters.

Despite the long trip to Boston last week, the Allegheny men are in fairly good shape. Neither Dolde or Smith, however, are likely to get into the game. Dolde's knee is not responding properly to treatment, while Smith's foot is still a source of no little trouble. The present backfield combination of Dahl, Hanlon, Brace, and Miller is going well, and Coach Davies will probably start these men against Bowser's team Saturday.

The Grovers, in Hartman, Brian, Evans, and Lubuono, present a formidable backfield, one that will no doubt give the Blue and Gold plenty to worry about. Evans and Hartman gained consistently in the Westminster game, but lacked the punch to score. On the line are Fay, Kramer, and Cless, all old troublemakers. Fay, giant tackle, was a big star in last year's battle.

FOOTBALL SCHEDULE

Result of Games Played

Sept. 27—Allegheny 7, Dickinson 0.
Oct. 4—Allegheny 6, West Virginia 35.
Oct. 18—Allegheny 14, Thiel 0.
Oct. 25—Allegheny 0, Boston College 13.

Games Yet to Be Played

Nov. 1—Grove City at Grove City.
Nov. 8—Westminster at Meadville.
Nov. 20—Waynesburg at Waynesburg.
Nov. 27—Bethany at Meadville.

FOOTBALL NOTES

While Allegheny was battling Boston at Braves Field, a crowd of 53,000 jammed the Harvard Stadium a mile away to watch Dartmouth nose out Harvard 6 to 0. The Stadium is visible from Braves Field and the cheering could be plainly heard at the Allegheny game.

Art Dahl gained consistently against the big Boston team. He had his arm slightly injured in the third quarter but remained in the game. Davies did not make a single substitution.

Jimmy Hanlon, as usual, played a great game. His judgment in calling plays was excellent.

Coach Davies and his cohorts arrived in Boston about 11 o'clock Friday morning. Setting-up exercises and a light signal drill were held that afternoon. The men spent the rest of the day sightseeing.

NATIONAL NEWS NOTES

Secretary of Agriculture Henry C. Wallace died at the Navy Hospital in Washington last Saturday at four o'clock of toxemia. Complications arising after an operation ten days before for removal of his appendix and gall bladder caused Mr. Wallace's death. Mr. Wallace was recovering splendidly until the toxic condition set in.

Last Saturday evening the Shenandoah, giant dirigible, finished a seven thousand mile trip across the United States and back to her hangar at Lakehurst, New Jersey. The sister ship to the Shenandoah, the ZR-3, was cradled in the large hangar at Lakehurst when the Shenandoah arrived.

Diplomatic tension was somewhat strained last week when the three assassins who killed Robert W. Imbrie, American vice consul at Teherin, were not all sentenced to death. The Persian government sentenced only one to death and gave the other two life imprisonment.

Next Thursday night the largest political meeting in the history of the United States will be held when the various broadcasting stations throughout the country turn over their program to the Republican radio rally. The speeches and music will last over two hours, starting at eight o'clock.

COACH HAMMETT TEACHES SPEED BALL TO FRESHMEN

ATHLETIC DIRECTOR ARRANGES MATCH IN NEW GAME FOR NOVEMBER 8

To take advantage of the fine weather, and to give the new men something to take an interest in until the regular basketball season opens next month, Coach Hammett has introduced a new game, called speedball, which has been received with the greatest enthusiasm by those men taking the course in physical training. The game is a combination of football, basketball, and soccer, and is as thrilling to watch and to play as any of the three.

Instead of using a football, a basketball is required. The two teams line up in positions similar to those used in basketball, and, instead of starting the game by kicking the ball, a toss-up is made in the center of the field, between the best two jumpers of either side. Once the ball is in play, the object of the game is to put it across the opponents' goal line, either by drop-kicking, forward passing, throwing, or running. A drop-kick across the line between the goal posts counts three points, one outside the goal posts counting one point, while a forward pass, completed, yields two points.

Speedball was introduced in the West, and has swept over the western states rapidly. Allegheny is the first of all the schools east of the Mississippi to introduce the new sport.

Allegheny students will have an opportunity to see how the game is played on Homecoming Day, November 8, preceding the Westminster football game. Thus far two freshman teams are scheduled to play, but Coach Hammett desires, if possible, to have both the freshman and sophomore classes put a team in the field, and to make a Freshman-Sophomore contest of the match.

BOSTON GAME

(Continued from page 2)

kicked it around for a few priceless seconds, until a Boston man fell on it.

It is difficult to pick out any stars of the game from an Allegheny standpoint. Every man played bang-up football. Brace's work was probably the best on the offensive, particularly in the second half. Fuller's great defensive play was outstanding throughout the game, while Fred Parnell was not far behind him. Judd gave a splendid exhibition of punting.

The lineup:
 Allegheny 0. Boston 13.
 Reed L. E. O'Neil
 Parnell L. T. Donohue
 Humeston L. G. McManus
 Fuller C. Doyle
 Kinnunen R. G. Elbery
 Morrison R. T. Kozlowsky
 Judd R. E. O'Connell
 Miller Q. McKenney
 Brace L. H. Cronin
 Hanlon R. H. Ward
 Dahl F. Darling

Score by periods:
 Boston College 0 6 0 7—13
 Touchdowns: McKenney 2. Goal from touchdown: McManus. Substitutions: Larkin for Elbery, O'Brien for Donahue, Whalen for O'Connell, Martin for Doyle. Referee—Holleran, Providence. Umpire—Kelley, Springfield. Head linesman—McLaughlin, Harvard. Field Judge—Madden, Amherst. Time of quarters, 15 minutes.
