Miss Ida M. Tarbell,
New York City.

My Dear Miss Tarbell,

The article
on "The Forest" of Berks County,
in which Mordecai Lincoln is men-
tioned, had to be deferred until next
Sunday's issue of the Reading Eagle,
owing to the press of other matters, &c.
I read the proof yesterday.

I am sending you today's paper,
containing the "Romance of Fort
Zeller".

Yours sincerely,

Cyrus T. Fox
Secretary
