TELEPHONE DOVER

NOANET FARM,
CHARLES RIVER, MASS.

The Editor of the American Magazine.

Dear Sir.

I wish to congratulate you upon your courage in printing articles opposed to Woman's Suffrage. The Suffragists seem to have intimidated most editors and as they are a very small minority in this State, it is very annoying to have the periodicals flooded with Suffrage literature and

work of making being published on. What I consider, the right side. I thank thanks to you for printing Miss Tarbells excellent articles and others for writing them.

Sincerely yours
Caroline M. Parker.
